A Message from The Chairman

This little booklet seeks to place before you a glimpse of the activities and events in Vishwa Yuvak Kendra's journey in the 56th year of its existence.

It is now axiomatic that India is uniquely placed to reap a remarkable demographic dividend by the preponderance of youth – 65% under the age of 35. However, the energies of a young nation can only be converted into productive channels if the young and women are educated, skilled and join the work force. It is against this background that VYK has been weaving, on a modest scale, elements of national programmes such as Digital India, Skilled India and Swachh Bharat – in its state level programmes.

It is a matter of pride that since its inception the Kendra has conducted about 1100 programmes – in house and state-level – imparting direct training to more than one hundred thousand participants who inturn, are expected to have reached out, through the regional partner NGOs, to at least a total of than 50 lakh persons - mostly in the countryside.

An essential pre-requisite for socio-economic transformation is a stable, harmonious society. A multi-religious, multi-lingual India has the unique privilege of having the idea of “Unity in Diversity” deeply ingrained in its national psyche. This unique inheritance needs to be brought home, as a part of the curriculum, to our school children. On our part, we have an opportunity of suitably promoting this idea in our programmes.

I commend the efforts of Team, along with its regional partners and alumni, during the year gone by, and wish good speed for the year 2017-18.

A Message From The Managing Trustee

It gives me immense pleasure in presenting Annual Report 2016-17, showcasing activities undertaken by the Vishwa Yuval Kendra (VYK) over the past year. The array of unique programmes organized last year – at local as well as at national level – have once again established VYK as one of the leading youth development organizations of the country. The rich and constructive history of the past fifty six years has played a very important role in ensuring VYK's pioneering position among developmental organizations.

Last year, VYK organized thirty programmes as part of its state level activities covering eighteen states of the country. It is hoped that in the next two years, the entire country would be covered. At this juncture, I would like to acknowledge the immense support extended to us by regional institutions, without whose support none of this would have been possible. The state level programmes were highly popular since they were organized on subjects and themes pertinent to the region. The state level activities were organized on topics like Digital India, Cashless Economy, Water Resource Management, Disaster Management, RTI etc. which even the government acknowledges as highly relevant in the present context. Similarly, in-house events like Remembering Sardar Patel, National Youth Day Celebrations, International Women's Day Celebrations etc. saw huge turnouts, which is a testimonial to the popularity that VYK's programmes enjoy among the country's youth.

Skill development and vocational training have been recognized as important enablers in the developmental process, along with Digitalization and Swachh Bharat drive. VYK is also committed to promoting these important topics during the coming year, not only through in-house programmes, but also by way of its state level activities and as a part of its integrated community development programme.

I convey my best wishes to the VYK Team for the year 2017-18 and sincerely hope that Kendra continues to build upon the past years' efforts and achievements. I hope that VYK continues to make immense contribution to the nation building process through its unique capacity building programmes, strategic partnerships with other developmental organizations and by developing a strong volunteer base, which, in turn, would lay the groundwork for a just and equitable society.

Managing Trustee

Foreword

Financial year 2016-17 ended on an exhilarating note for Vishwa Yuvak Kendra. A number of quality in-house programmes were organized during the year which drew huge participation. Apart from the in-house events, state level programmes were organized on contextual themes. Programmes were also organized on need-based subjects particular to the target area.

It is satisfying to note that VYK has carved out a niche for itself among the large number of NGOs working in the country, as a leading Training Centre for youth. Kendra's programmes are primarily focussed at training youth workers and NGO activists, and to enhance their knowledge and capacity, so that they are able to

discharge their responsibilities in a more effective manner. It has been observed that our training programmes not only enhance the capabilities of the NGO worker to work at the grassroots level, but also enables them to replicate the learning they receive in their operational areas, as a result of which our programmes get a much wider reach. We are delighted to share that we would be covering twenty five states during 2017-18. By taking our programmes to regional level through VYK's state-level collaborative programmes, VYK ensures that participants from far-flung parts of the country who otherwise find it difficult and expensive to travel to Delhi can benefit from VYK's training programmes. We are also building a strong volunteer base among the youth by developing a network with educational institutions through our Institutional Tie-up Programme.

At this juncture, I would like to express my sincere thanks and gratitude for the great support extended to us from all quarters. First and foremost among them is our Board of Trustees, who supported us at each stage and gave us invaluable advice to improve ourselves and increase the efficacy of our training programmes. I would also like to convey my gratitude to all our members for supporting us by utilising our facilities, and to our partner organisations for their constructive efforts and cooperation as a result of which our programmes were a huge success. Special thanks are also due to reputed media houses - both national level as well as regional level - for prominently covering our programme activities.

Last, but not the least, I would be remiss if I do not convey my deep sense of gratitude and appreciation to the Konrad-Adenauer-Stiftung (KAS), who supported us during our formative years and played an important role in making VYK what it is today - one of the country's premier youth training institute engage in the service of nation for over five decades. I would also like to congratulate the entire team of VYK for working as a cohesive unit and for implementing the advice and guidance received from the management in such an effective manner. Without your active participation and support, our programme activities would not have been such a great success. Thank you all!

I am hopeful that VYK can build upon the momentum created over the past year and with the support and guidance of our partners and our Board, thrust forward to achieve its objective of ensuring nation-wide reach for Kendra's training programmes. Thank you once again!

INTERNATIONAL YOUTH CENTRE

Our Beginning

Vishwa Yuvak Kendra (VYK) has a unique history. In 1959, the executive committee of the World Assembly of Youth came to the conclusion that if youth work has to be developed in the country on scientific lines, an international level youth centre should be established, which would provide training in youth work to the workers of youth organizations on a continuous basis,. The committee also visualized the centre as an international meeting place for young people from all over the world. Since a centre of this type had to have a certain permanency, it was decided to set up an independent trust, which would command the necessary respect and support. Thus, the Indian Youth Centres Trust was set up on 10 August, 1961. With the active support of Pt. Jawahar Lal Nehru, a decision was taken to build a youth centre. The first phase comprising mainly the hostel and the central hall was completed and inaugurated on 22 December, 1968 by Dr. Zakir Husain, the then President of India.

In order to facilitate the smooth running of various workshops, seminars and training programmes, the Kendra provides economical boarding and lodging facilities to its members and the participants. To conduct various programmes, the Kendra also has conference and training halls.

Talk with Amazing Indians

13 April, 2016

Considering the need to motivate students through interactions with famous and inspiring personalities and enabling them to contribute towards betterment of the society, the 12th successive event of 'Talk with Amazing Indians' was organized at SOS Hermann Gmeiner School, Faridabad, Haryana on 13 April, 2016. Ms. Sonal Kapoor, founder of 'Protsahan', NGO, was invited as the 'Amazing Indian' to inspire the students. The event was attended by approximately 300 students, apart from faculty of SOS School. Mr. Maddali Srinivas, Zonal Director North, SOS Children's Village India, thanked VYK for taking the unique initiative to provide a good opportunity to their students and requested VYK to organize similar events in future as well.

The 'Amazing Indian' Ms. Sonal Kapoor was highly impressed with the participation, and

reminisced how her entire outlook about life changed after meeting a vulnerable mother and daughter living in a slum in Faridabad. She decided to put her fullest efforts towards empowerment of such needy people in an effort to transform their miserable life to a meaningful one. From this thought of hers, 'Protsahan' was founded. 'Protsahan' has directly rescued and rehabilitated over 800 vulnerable girls since 2010, and is supporting about 100 needy girls on a daily basis. Mr. S. Kundu, Principal, SOS Hermann Gmeiner School expressed his gratefulness to VYK for organizing such an innovative and motivational programme at their school. The students were highly inspired at knowing about the ongoing activities of VYK and Protsahan. At the end of the event, Ms. Sonal Kapoor and Mr. Maddali Srinivas were felicitated and the national anthem was sung by the participating students.

Talk with Amazing Indians

09 May, 2016

The 13th event in the series of 'Talk with Amazing Indians' was organized at 'Navyug Senior Secondary School', Sarojini Nagar, New Delhi on 09 May, 2016.

Ms. Pushpa Verma, Principal, Navyug School greatly appreciated the event as a great opportunity for the students to learn from amazing personalities. She also thanked VYK for providing a chance to the students to learn and move towards the right path of development.

VYK invited Mr. Rao as the 'Amazing Indian' of the event.

The event was inaugurated by officials from Navyug School and VYK. Mr. Uday Shankar Singh, Chief Controller, VYK stated that there is need for such people in our country who are always ready to help the needy ones and actively striving to bring out the necessary societal change. He also stated that such type of acumen could not be imparted in the classrooms.

Mr. Laxman Rao, an Amazing Indian, sharing his experience with the students

Mr. Laxman Rao (65 year) is a simple tea vendor who communicates like a political commentator, argues like a philosopher and talks about his creative work done like a critic. What separates him from the rest of the lot is the amazing fact that he is an author of 24 books. In addition, he runs his own publishing house called 'Bharatiya Sahitya Kala Prakashan'. Recognizing his achievements,

Mr. Laxman Rao exhorted the students to firmly believe in themselves. He advised them to visualize, start and move ahead with knowledge and gradually things would fall in place for them. They would also be able to achieve the set goals. The event concluded with thanks giving to the Amazing Indian and the faculty of Navyug School by the team of VYK.

Training Programme on Fund Raising

21-24 June, 2016

Most of the grass root NGOs/VOs working in the country put their sincere efforts towards community development inspite of limited access to resources. Funding is the key aspect for any organization, which not only regulates its ongoing activities but plays a pivotal role in prospective planning as well. Considering this fact, a 4-day national level residential training programme on 'Fund

corporate groups.

Modern tools and techniques were used to train the participants on different topics i.e. project formulation, CSR mandate, donor expectations, changing NGO landscape, role of implementing agencies, reporting and documentation, etc. Group activities were the main features of training in which participants

The programme was attended by 65 senior and middle level representatives of 50 grass root NGOs from 12 states and union territories of India including Bihar, Jharkhand, Uttar Pradesh, Uttarakhand, Rajasthan, West Bengal, Odisha, Madhya Pradesh, Karnataka, Maharashtra, Gujarat and Delhi-NCR.

The programme was inaugurated by Mr. Vivek Prakash, Associate Vice President, CSR, Jubilant Life Sciences Ltd. All the participants were imparted training on various aspects of fund raising by eminent resource persons and seasoned professionals from renowned national and International developmental organizations, donor agencies and leading

explained the challenges being faced by them to mobilize resources. The active and enthusiastic participation itself demonstrated the need and importance of the subject for VOs. Through this programme, participants made themselves updated with the new and upcoming trends of funding and its proper utilization. Leveraging of resources through various networks and channels were the key components of the training schedule. Dr. U.N.B. Rao, Chairman, Urvi Vikram Charitable Trust, New Delhi, addressed the valedictory session of the programme. He motivated the participants that if any organization has determination to move forward, then resource mobilization would not be a constraint, since donors were also in search of credible and transparent NGOs/VOs.

Seminar on Climate Change and Global Warming

21 July, 2016

Taking the declining environmental conditions of the country into consideration, VYK organized a daylong seminar on 'Climate Change and Global Warming' at its campus on 21 July, 2016. Prof. M. K. Pandit, Head, Department of Environmental Studies, University of Delhi was the Chief Guest who inaugurated the Seminar. During the inaugural speech, he sensitized the audience and posed

a few questions:

- How to save the earth and life in the present worsening environmental situation?
- What measures need to be taken to stop emission of carbon?
- What major steps should be taken by us to maintain flora and fauna?

Prof. M. K. Pandit, Head, Department of Environmental Studies, DU, addressing the participants

The aforesaid questions changed the complete mind set of the participants on the topic and worked as an ice breaker.

Other renowned and eminent resource persons from various esteemed organizations engaged in environment and climate issues were Mr. Mihir Mathur, Associate Fellow, The Energy and Resources Institute (TERI), New Delhi and Ms. Ajita Tiwari, National Facilitator, Indian Network on Ethics & Climate Change, New Delhi.

The speakers addressed the various sub-topics related to main theme, including:

- Causes and effects of global warming and solutions to mitigate it
- Emergence of techno-scientific aspects to address the issue
- Strategic planning to meet out the sustainable development goals related environment

Active and enthusiastic participants raised their voices to involve govt. machinery and civil society organizations to take the task at hand on war footing, since the issue was not only limited to an individual but has become a global concern.

The programme concluded with the participants taking an oath to make their contribution at both individual as well as organizational level.

Talk with Amazing Indians

28 July, 2016

To create awareness among students and involve them in the process of societal change, Mr. Omkar Nath Sharma, popularly known as 'Medicine Baba' was invited as an Amazing Indian. The 14th event in the 'Talk with Amazing Indians' series was organized at Green Fields School, Safdarjung Enclave, New Delhi on 28 July, 2016.

Mr. Omkar Nath Sharma, a retired technician of a reputed blood bank, started collecting unused unexpired medicines from affluent

for such leftover medicines.

He keeps the collected medicines in a rented room next to his home in the slums of Manglapuri, South West Delhi. The room is filled with boxes of common flu tablets, insulin injections, cancer medications, etc. Mr. Sharma also explores for donation of medical equipment i.e. hospital beds, nebulizers, wheelchairs, walkers, oxygen machines, etc. Some NGOs involved in medical care remain in contact with Mr. Sharma for the medicines to

families eight years ago with an intent to make them available free of cost for needy patients. The market price of such drugs distributed by him is around Rs. 5 Lakh per month.

During his motivational talk, 'Medicine Baba' informed that most of the rich families throw their left over drugs into waste bins, irrespective of their cost. To accumulate such unused medicines he walks door-to-door, often over a distance of 7 km each day, asking

be distributed to deprived and vulnerable patients.

Two hundred and sixty eight students attended the programme. On one hand, they learnt various aspects of community mobilization, while on the other hand, they were also sensitized with the fact that unused products could be converted into a very useful manner which would not only save money but also be very instrumental in saving someone's life.

Seminar on "Leave No One Behind - Inclusive Sanitation"

08 – 09 August, 2016

Ensconced in the highly secure diplomatic enclave of New Delhi, Vishwa Yuvak Kendra is a full-fledged campus within itself and comprises of accommodation facilities, conference/seminar facilities, cafeteria, library, lush lawns etc. The Kendra also provides all the necessary support services like Wi-Fi, satellite TV, photocopy, sound system and other audiovisual equipment, backed by professionally qualified and experienced support staff. The campus also has space for showcasing artwork/craft exhibits.

Accommodation

In keeping with its mandate, Vishwa Yuvak Kendra extends capacious accommodation amenities with modern conveniences to the trainees, students and NGO partners from within and outside the country. The centrally located Kendra hostel has well-furnished

rooms with basic modern amenities.

The Annexe building has 115 dormitory beds (5-6 beds in a room) which are mostly availed by youth groups/young students, NGOs etc. The dormitory accommodation provides a viable, inexpensive accommodation option for NGO representatives and youth workers who are often on a limited budget. Complimentary breakfast is served to all the trainees/members staying in the campus. Being located in the safest neighborhood in the capital region and having excellent commuting facilities to all transport hubs (airport, railway station, bus terminal) makes VYK one of the favorite staying options of the youth from across the country and from outside India.

The VYK campus serves as a nucleus for the promotion of national harmony and international understanding in an ambience of warmth and friendship.

Dining Hall and Youth Café

A Dining Hall serves modestly priced food to trainees and members attending conferences/seminars and training courses. The Kendra has recently opened a "Youth Café" in the campus, which serves as a venue for our members to congregate, entertain their guests

or to pass time, individually and in small groups. Like all its other facilities, the Dining Hall and Youth Café can be used only by individual/institutional members of Vishwa Yuvak Kendra.

Auditorium and Conference Halls

Vishwa Yuvak Kendra's campus has state-of-the-art (fully air-conditioned) training halls and a large auditorium. These halls and auditorium are used to conduct in-house training programmes for grass root level NGOs on various issues related to social development. No training fees are charged from the participants, except for a very nominal registration fee from the sponsoring NGOs. VYK has venues ideally suited for all kinds of requirements, be it a small board meeting or training workshop, or be it a large gathering

with up to 500 persons.

All the facilities, be it accommodation, conference hall or dining hall, are used for our training activities. When not in use for Kendra programmes, these are provided to like-minded member NGOs / individuals at highly subsidized and very nominal tariff. In case of any additional query or information regarding our facilities or about our programme activities, one may contact welcome@vykonline.org or vyk@vykonline.org

Library

Since research and training on youth related topics is one of the objectives of Vishwa Yuvak Kendra, a full-fledged library was set up to facilitate and support these activities and also to help other developmental workers and organizations across the country to gain access to specialized information.

Art Gallery

As a part of its endeavour to promote art and culture, VYK has launched the VYK Art Gallery at its campus. The gallery is provided to artists including upcoming artists to showcase their work. The Art Gallery Space, which is fully air-

conditioned, has adequate and proper lighting and decor required for such a use and is slowly gaining recognition among the art fraternity as a viable alternative for organizing exhibitions and similar events.
