MESSAGE FROM CHAIRMAN AND MANAGING TRUSTEE

It gives me immense pleasure to present the Annual Review 2025-26, which reflects the unwavering commitment, dedication and collective efforts of the Vishwa Yuvak Kendra Team in advancing our mission of empowering youth and strengthening communities across the country. The achievements documented in this Review stand as a testimony to the trust reposed in VYK by our partners – institutional, corporates and CSOs, and to the meticulous planning and sincere execution of every programme undertaken during the year.

The year witnessed a significant expansion in the scale and diversity of our initiatives. Through a wide range of in-house programmes, state-level interventions, institutional collaborations, Integrated Community Development Programmes (ICDPs), skill development initiatives, exposure visits and national campaigns, VYK addressed critical

issues including youth leadership, health and well-being, gender equality, disability inclusion, entrepreneurship, WASH, environmental sustainability and community resilience. It is particularly heartening to note that these initiatives directly reached and benefited more than 90,000 participants across several states, reaffirming VYK's growing national presence and impact. Flagship campaigns commemorating World Environment Day and International Women's Day were successfully implemented in partnership with numerous organisations across the country, transforming these occasions into nationwide movements for awareness, participation and behavioural change.

As an organisation committed to innovation and continuous learning, VYK also strengthened its digital outreach and knowledge dissemination efforts, enabling us to engage with a wider audience and amplify the reach of our initiatives. The programmes continued to align closely with the Sustainable Development Goals, contributing meaningfully towards building an inclusive, equitable and sustainable future.

The accomplishments highlighted in this Annual Review are a testament to the dedication, teamwork and tireless efforts of the VYK Team, whose collective commitment has ensured the successful implementation of our programmes across the country. Their professionalism, perseverance and unwavering focus on our mission deserve the highest appreciation. I would like to express my appreciation for the dedicated VYK Team for their invaluable contribution to these achievements.

I am confident that with the continued support of all our stakeholders, Vishwa Yuvak Kendra will further strengthen its efforts towards nurturing youth leadership, fostering sustainable development and creating lasting positive change in society.

Shishir Bajaj
Chairman & Managing Trustee

FOREWORD

The Annual Review 2025-26 reflects another meaningful year in Vishwa Yuvak Kendra's continuing journey of empowering youth, strengthening institutions and fostering sustainable community development. More than a record of activities, this publication captures the collective efforts, partnerships and shared aspirations that have enabled us to expand both the scale and quality of our interventions.

Throughout the year, our endeavour remained focused on responding to emerging developmental priorities while staying firmly rooted in our core values of participation, inclusion and innovation. The increasing complexity of social and environmental challenges reinforced the need for integrated approaches that bring together government institutions, civil society, academia, corporate partners and, most importantly, young people as active stakeholders in the development process.

Our programmes during the year addressed a wide spectrum of thematic areas including youth leadership, entrepreneurship, skill development, health and well-being, gender equality, disability

inclusion, water, sanitation and hygiene (WASH), climate action and institutional capacity building. Through residential learning programmes, state-level initiatives, Integrated Community Development Programmes, exposure visits, institutional collaborations and skill development initiatives, we sought to create opportunities for learning, leadership and community engagement that are both practical and transformative.

A notable feature of the year has been the expansion of our outreach through collaborative campaigns and partnerships. National campaigns commemorating World Environment Day and International Women's Day demonstrated how collective action can amplify awareness and inspire community participation across diverse geographical regions. Simultaneously, our strengthened digital engagement enabled us to reach wider audiences and create new avenues for knowledge sharing and public participation.

As VYK continues to evolve, we remain committed to ensuring that every programme contributes meaningfully to the Sustainable Development Goals while responding to local realities. We believe that sustainable development can only be achieved when young people are equipped not only with knowledge and skills but also with values, empathy, confidence and the ability to lead positive change within their communities.

The achievements presented in this Review are the result of the dedication and professionalism of the VYK Team, whose commitment has translated ideas into meaningful action throughout the year. I would also like to acknowledge the invaluable support and guidance of our Hon'ble Chairman and Managing Trustee Shri Shishir Bajaj, our Board of Trustees, programme partners, government departments, academic institutions, CSR organisations, civil society networks, resource persons, media partners and the thousands of participants who have been an integral part of our journey.

Uday Shankar Singh
Chief Executive Officer

ABOUT US

1960-1970

FOUNDATION & VISION

The idea of a national youth centre took shape during the Indian Assembly of Youth in 1959.

On 10 August 1961, the Indian Youth Centres Trust (IYCT) was formally established with the vision of nurturing youth leadership and national development. With the support of Prime Minister Pt. Jawaharlal Nehru, Vishwa Yuvak Kendra (VYK) was launched as a platform for youth engagement and institution-building.

1970-1980

INTERNATIONAL OUTREACH

VYK expanded its footprint beyond national boundaries by engaging in international capacity-building initiatives.

In collaboration with global institutions such as the United Nations Development Programme (UNDP), VYK conducted training programmes for youth workers, strengthening cross-cultural learning and global exchange.

1980-1990

CONSOLIDATION AND PROGRAMME DEVELOPMENT

The 1980s marked a period of consolidation and growth for VYK. Expanded initiatives in youth leadership, entrepreneurship, agriculture, and community engagement strengthened the organisation's grassroots presence and laid the foundation for its long-term impact.

1990-2000

EXPANDING REACH AND COMMUNITY FOCUS

VYK deepened its engagement with grassroots communities by expanding its programme portfolio.

Initiatives during this period focused on inclusive development, addressing the needs of rural and urban populations through structured interventions and partnerships.

2000-2010

STRUCTURED PROGRAMME EXPANSION

The introduction of flagship initiatives such as the Integrated Community Development Programme (ICDP) marked a shift towards more structured, scalable interventions.

VYK strengthened its role in promoting sustainable development and community-led growth.

2010-2020

DIVERSE PROJECTS AND DIGITAL TRANSFORMATION

VYK diversified its programme areas with initiatives such as Aahvaan, Samarthya Pariyojana, Nanhi Pahal, and Project LEAD.

The decade also witnessed the integration of digital learning platforms, webinars, and e-courses, enhancing outreach and accessibility.

2020-2026

RESILIENCE, INNOVATION AND SCALE

Adapting to evolving challenges, VYK embraced digital transformation and hybrid programme delivery.

With a focus on social, economic, and environmental development aligned to the Sustainable Development Goals (SDGs), VYK continues to empower youth as agents of change across India.

YOUTH HOSTEL AND CENTRAL HALL

Inaugurated by Dr. Zakir Husain, then President of India, on 22nd December 1968

Since then, Vishwa Yuvak Kendra has served as a dynamic space for training, seminars, workshops and youth-led initiatives. With accessible boarding, lodging and modern training facilities, the Kendra continues to be a catalyst for youth-led social transformation across India and beyond.

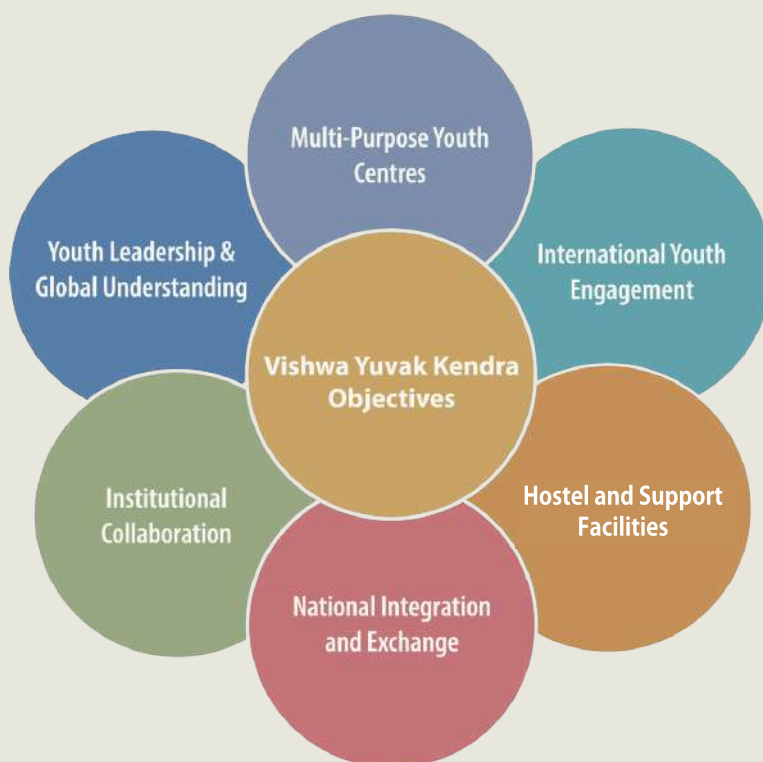

VISION AND OBJECTIVES

VISION

To promote the interests and all-round welfare of Indian Youth and to work in cooperation with the Youth Organisations of India and other countries for the welfare of Indian as well as International Youth in general, to bring together and coordinate the activities of and to provide a medium for the exchange of information about the activities, objects and experience of Youth Organisations.

The Objectives of the trust are as follows:

- a. To establish, maintain and conduct one or more National or International Youth Centres at suitable centres in India for promoting international understanding and cooperation and developing youth leadership;
- b. Each such Youth Centre may be multi-purpose in character functioning as a model youth centre for intellectual and recreational services to youth; a coordinating agency for youth organisations; a centre for building up youth leadership through a variety of programmes; and a counselling bureau to advise on various problems confronting youth;
- c. For the benefit of foreign students and youth delegations as well as individuals visiting India, the Youth Centre may provide hostel facilities, it may serve as an information centre, and provide them with opportunity for coming in close contact with their counterparts in India and for studying India's efforts to achieve progress through democratic methods;
- d. The hostel facilities at the Youth Centres shall be available to students or other persons on payment of such charges as the Trustees may decide from time to time;
- e. The Centre may also sponsor programmes for bilateral exchange of youth leaders, young workers and students with a view to better National Integration and international understanding and cooperation;
- f. The Trustees may join, contribute to, or assist financially or otherwise, any other institutions with similar objects to carry out or implement any of the objects of this Trust.

CONCLAVES AND CONFERENCES

Aahvaan NGO–CSR Conclave 2026 (3rd Edition) – Building Partnerships for Inclusive Development

Venue & Date/Duration:

Vishwa Yuvak Kendra, Ramkrishna Bajaj Auditorium
24–25 February 2026 | (Two Days)

Objective:

Conceived as a National platform for dialogue and collaboration, the Conclave aimed to strengthen the interface between CSR framework and grass root development realities. This will promote inclusive development, and build strategic partnerships aligned with the vision of Viksit Bharat @ 2047.

Speakers/Facilitators:

Dr. Bhaskar Chatterjee (IAS (Retd), (Former DG & CEO, IICA), Dr. Rajesh Tandon, (Founder President PRIA & Co-Chair UNESCO), Mr. Uday Shankar Singh, (CEO, VYK), Mr. Manjunath K., VYK and other distinguished CSR and NGO experts.

Participants:

291 delegates from 22 states, including corporate leaders, NGOs, policymakers, academicians, and development practitioners.

Key Takeaways:

CSR must move from compliance to commitment. Multi-year trust-based partnerships, stronger NGO governance, technology adoption, impact assessment, and consortium funding are essential. The conclave positioned Aahvaan as an ongoing platform for collaboration and sustainable national development. India's aspiration of Viksit Bharat can be realised through structured trust and long term partnerships among corporates, NGO's, Government institutions and communities.

International Youth Conclave for Tourism Development (IYCTD 2.0), 2025

Venue & Date/Duration:

Hotel Lyfe, Bhubaneswar, Odisha | 14–16 December 2025 | Three-days international conclave

Objective:

The conclave aimed to promote sustainable tourism development by engaging youth in policy dialogue, innovation, and community-driven approaches. It focused on identifying underdeveloped tourism destinations, strengthening cultural preservation, enhancing livelihood opportunities, and aligning tourism initiatives with Sustainable Development Goals (SDGs) and the vision of Viksit Bharat 2047.

Speakers/Facilitators:

The programme featured eminent policymakers, academicians, and sector experts including Shri Samir Ranjan Dash (Former Minister, Government of Odisha), Shri Nihar Ranjan Dash (OAS), Ms. Abha Mishra (UNDP Odisha), Dr. Sandeep Rout (Sri Sri University), Ms. Meera Parida (SAKHA), Mr. Ranvir Singh (VYK) and several national and international tourism professionals.

Participants:

192 delegates from 22 Indian states, 2 Union Territories, and 2 international countries.

Key Takeaways:

The conclave provided a dynamic platform for knowledge exchange on sustainable, cultural, eco, and digital tourism. Participants engaged in expert sessions, policy dialogues, cultural exchanges, and field visits to key heritage sites, gaining practical insights into tourism ecosystems. Emphasis was placed on youth-led tourism innovation, community participation, and integration of technology and sustainability. The programme highlighted opportunities in entrepreneurship, skill development, and CSR partnerships in tourism. It also generated actionable recommendations for improving tourism infrastructure, enhancing visitor experiences, and promoting Odisha as a global destination. Overall, the conclave strengthened youth leadership, fostered cross-cultural collaboration, and contributed to shaping a roadmap for inclusive and sustainable tourism development.

SOCIAL DEVELOPMENT

SEMINARS AND SYMPOSIUMS

Seminar on Tyre and Road Safety

Venue & Date/Duration:

Mewar Institute of Management, Ghaziabad | 17 April 2025 (One Day)

Objective:

To create awareness about tyre maintenance, responsible road behaviour, and preventive road safety practices among youth and educational institutions in order to reduce tyre-related accidents and promote safer driving habits.

Speakers/Facilitators:

Dr. Alka Agarwal (Director, Mewar Institute of Management), Mr. Sanjay Chatterjee, Assistant DG (ATMA), and Mr. Dipankar Paul (Behavioral Specialist), Ms. Mukta Bhardwaj (VYK), Mr. Rajat Thomas (VYK).

Participants:

300 students, faculty members, road safety experts, and representatives from Vishwa Yuvak Kendra and the Automotive Tyre Manufacturers' Association (ATMA).

Key Takeaways:

The seminar emphasised the importance of tyre maintenance, regular pressure checks, safe driving behaviour, helmet use, and avoiding overloading vehicles. Experts highlighted that proper tyre care and responsible road practices can significantly reduce accidents. Participants also took a pledge to spread awareness on road and tyre safety within their communities.

Seminar on Mental Health and Well-Being

Venue & Date/Duration:

Bharat Institute of Technology, Meerut | 15 May 2025 (One Day)

Objective:

To raise awareness on mental health, stress management, peer pressure, social media impact, coping strategies, and emotional well-being among youth.

Speakers/Facilitators:

Ms. Cheena Mishra (Counselling Psychologist), Ms. Mukta Bhardwaj (VYK), Mr. Rajat Thomas (VYK), Mr. Anand Kumar (VYK).

Participants:

224 students, faculty members, and staff attended the seminar.

Key Takeaways:

Participants learned practical strategies for stress control, confidence-building, breathing exercises, handling peer pressure, avoiding unhealthy comparison, responsible social media use, and focusing on problem-solving. The seminar reinforced that mental health is essential for academic success and personal growth.

International Day of Yoga 2025

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK) Campus, New Delhi | 21 June 2025 | Half-day session

Objective:

The programme aimed to promote holistic health and well-being through yoga, aligned with the global theme "Yoga for One Earth, One Health." It sought to build awareness on the integration of physical fitness, mental wellness, and environmental consciousness,

Participants:

Nearly 120 team members from both VYK and CMSS attended the event.

Key Takeaways:

The session included guided asanas, pranayama, therapeutic yoga for spinal health, and a meditation segment integrating sound healing techniques. Participants gained practical insights into improving

Youth participants taking a pledge to promote Tyre and Road Safety Awareness in their communities at Ghaziabad, Uttar Pradesh

SOCIAL DEVELOPMENT

SEMINARS AND SYMPOSIUMS

while encouraging participants to adopt yoga as a sustainable lifestyle practice.

Speakers/Facilitators:

The session was moderated by Mr. Ajit Kumar Rai (VYK). Expert yoga trainers included Mr. Vimal Kumar, Ms. Vibhati Bhandari, and Ms. Meenakshi Dhankar. The programme also featured remarks by Dr. Anuj Prakash (CMSS) and Mr. Uday Shankar Singh (VYK).

flexibility, posture, stress management, and emotional balance. The programme emphasised the relevance of yoga in addressing modern lifestyle challenges, particularly sedentary habits. It concluded with a strong message on incorporating yoga into daily routines for sustained physical, mental, and emotional well-being, leaving participants motivated to continue their practice.

Seminar on the Awareness of Amyloidosis: A Rare Life Threatening Disease

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), New Delhi | 25 September 2025 |(One Day)

Objective:

To raise awareness on Amyloidosis and ATTR, promote early diagnosis and treatment pathways, strengthen collaboration among stakeholders, share research and clinical advancements, and advocate for stronger policy support for rare diseases in India.

Speakers/Facilitators:

Dr. Satish Chandra (Founder,ASGI & RDSSDF),Dr. Tulika Seth (Professor Hematology (AIIMS)), Dr. Sandeep Seth (Cardiology, AIIMS), Dr. Vinayak Aggarwal, Dr. Priyaranjan Trivedi, Mr. Uday Shankar Singh (VYK), Dr. Rajni Kant Srivastava (ICMR), Dr. Monika Pahuja (ICMR), Dr. Ruma Ray (AIIMS) and Ms. Mukta Bhardwaj (VYK).

Participants:

Approximately 98 participants attended physically, and 100+ joining virtually, including doctors, researchers, policymakers, healthcare professionals, patient advocates, NGOs, and pharma personnel.

Key Takeaways:

The symposium emphasised the urgent need for early diagnosis, advanced diagnostic technologies, policy support, patient-centered care, and stronger collaboration between government, healthcare institutions, researchers, industry, and advocacy groups to improve rare disease management and patient outcomes in India.

Seminar on World Heart Day First Aid and Basic Life support

Venue & Date/Duration:

Vishwa Yuvak Kendra, New Delhi | 29 September 2025 (One Day)

Objective:

To strengthen awareness on heart health, promote preventive healthcare practices, and build practical knowledge and skills in First Aid, CPR, and Basic Life Support (BLS) for emergency response.

Speakers/Facilitators:

Dr. Sanjay Shah (Sr Consultant,Trauma, Apollo Hospital), Dr. Mukesh Goel (Sr Consultant, Cardio Thoracic Surgery, Apollo Hospital), Ms. Sudha Jhijaria, (BHBF), Mr. Uday Shankar Singh (VYK), Ms. Mukta Bhardwaj (VYK), Mr. Mohit Chauhan (BHBF), and Mr. Rakesh Singh (VYK).

Participants:

70 participants including medical experts, trainers,volunteers, institutional representatives, youthparticipants, and civil society organisations attendedthe seminar as part of the month-long campaign. The campaign engaged 16,559 participants through 134 programmes across 14 states, involving youth, medical experts, trainers, and community stakeholders.

Key Takeaways:

The seminar emphasised the importance of timely intervention during cardiac emergencies, preventive lifestyle practices, and hands-on CPR training.

Demonstration session on CPR conducted by Medical experts and trainers on World Heart Day,2025 at VYK, New Delhi

Group Photograph of distinguished women speakers and achievers during International Women's Day,2026 at VYK, New Delhi

SOCIAL DEVELOPMENT

Khanpur Kalan, Haryana| 18 September 2025 |(One-day)
Central University of Haryana, Mahendergarh,
Haryana| 23 September 2025 | (One- day)

Objective:

The seminars featured expert-led demonstrations on CPR, choking management, and emergency response, with active student participation.

Speakers/Facilitators:

Dr. Shrestha Singh (Emergency Medical Officer, Apollo Hospital), Mr. Mohit Chauhan (Head CSR, BHBF – North), Mr. Satender Singh (Supervisor Operations, BHBF – Delhi NCR) Dr. A.P. Nayak (Principal, MSM Institute of Ayurveda), Prof.(Dr.) Sudesh (Vice Chancellor, BPSMV), Prof. Tankeshwar Kumar, (Vice Chancellor, Central University of Haryana), Prof. Poornima Singh (Professor Emeritus, IIT Delhi) Dr. Vishnu Narayan Kucheria, Prof. Payal Kanwar Chandel, Dr. Ravi Pratap Pandey (Central University of Haryana), Ms. Mukta Bhardwaj (VYK).

Participants:

354 participants.

302 participants.

Key Takeaways:

The seminars highlighted the practical learning in programmes, awareness of cardiac emergencies, and the importance of timely intervention. Collectively, these initiatives strengthened student preparedness, enhanced health awareness, and fostered a sense of responsibility and confidence in handling real-life medical emergencies.

International Women's Day 2026 Celebration

Venue & Date/Duration:

Vishwa Yuvak Kendra, New Delhi | 10 March 2026

Objective:

To promote women's rights, gender justice, leadership, education, entrepreneurship, and youth engagement while encouraging dialogue on equality, empowerment, and inclusive development.

Speakers/Facilitators:

H.E. Ms. Diana Mickevičienė, Hon. Ambassador, (Embassy of the Republic of Lithuania to the Republic of India); Dr. Ranjana Kumari (Director, Centre for Social Research); Dr. Vidushi Chaturvedi (Lead Architect, Frontier Tech Hub, NITI Aayog); Ms. Mugdha Kapoor (Head, Instagram, India Today Group), Ms. Tannu Saini (Sr. Programme Officer, Youth & Volunteer Engagement, WWF-India); Ms. Fazola Nasretdinova (Project Officer, Youth Programmes, UNESCO MGIEP); Ms. Hina Khatoon, (Former Captain, National Women's Handball Team); Adv. Anchal Bhatheja (Disability Rights Advocate, Supreme Court); Ms. Kajal Chanana (Founder, Dwarka Moms & Connecting India Global), Ms. Mukta Bhardwaj (VYK).

Participants:

288 participants including policymakers, youth leaders, students, CSO representatives, professionals, educators, and women achievers from diverse sectors.

Key Takeaways:

The programme emphasised women's empowerment through education, technology, leadership, media, sports, entrepreneurship, and legal awareness. Speakers encouraged youth to challenge gender stereotypes, promote inclusion, and create safer, equitable opportunities for women and girls, reinforcing that gender equality is essential for sustainable and inclusive development.

SOCIAL DEVELOPMENT

SEMINARS AND SYMPOSIUMS

Youth Leadership in WASH: Driving Sustainable Water, Sanitation & Hygiene Solutions

Venue & Date/Duration:

St. Antony's College of Arts and Science for Women, Dindigul, Tamil Nadu | 17 October 2025 | (One-day)

Objective:

The seminar aimed to raise youth awareness on Water, Sanitation and Hygiene (WASH) issues and promote sustainable practices, water conservation, hygiene behaviour, and community-led action for public health and environmental sustainability.

Speakers/Facilitators:

Key speakers included Thiru R. Sachithanatham (Member of Parliament, Dindigul), Dr. Jayavanithamani (Member, CWC Dindigul), Rev. Sr. Dr. Vanitha Jaya Rani (Principal), Rev. Sr. Dr. Antony Pushpa Ranjitham (Secretary), and representatives from civil society such as Mr. Jegatheesan (Coodu Trust), Mr. P. Rubabalan (Peace Trust), Mr. V.P. Chellamuthu (Vinoba Seva Sangam), Mr. Ganeshan (Municipal Councilor), Mr. Rajat Thomas (VYK).

Participants:

Approximately 500 students and faculty members

Key Takeaways:

The seminar highlighted the critical role of youth in addressing WASH challenges such as water scarcity, open defecation, waste management, and hygiene practices. Participants gained practical insights into rainwater harvesting, menstrual hygiene management, and community-led sanitation initiatives. Sessions emphasised behaviour change communication, community participation, and the importance of sustainable practices for improving public health outcomes. The programme reinforced the need for youth-led awareness campaigns, institutional collaboration, and grassroots action. Overall, it strengthened leadership capacities among young participants and encouraged them to act as ambassadors of change for building cleaner, healthier, and water-secure communities..

Yuva Mahotsav 2026

Venue & Date/Duration:

Vishwa Yuvak Kendra, New Delhi | 12 -13 January 2026 (Two Days)

Objective:

The programme aimed to strengthen youth engagement in national development by promoting value-based leadership, social responsibility, and informed civic participation. It focused on inspiring youth to transition from passive observers to active contributors, fostering critical thinking, collaboration, and community engagement.

Speakers/Facilitators:

The event featured eminent speakers including Mr. Yudho Sasongko (Deputy Chief of Mission, Embassy of Indonesia); Dr. Ashish Chaturvedi (Head, Action for Climate & Environment, UNDP); Mr. Pavitra Kumar IRS, Mr. S. Jayaraman (Advisor, Ministry of Environment, Forest and Climate Change); Dr. A.K. Merchant, (General Secretary, Temple of Understanding India Foundation); BK Anusuya Didi (Sr. Rajyoga Teacher, Brahmakumari's); Dr. Shraddha Chickerur (Programme Officer, UNESCO); Mr. Rahul Vachaspati (Executive Director, ATMA); Mr. Manish Misra (Founder, The Subtle Noise);, Swami

Participants:

324 youth participants from across Delhi/NCR attended the event and got benefited.

Key Takeaways:

The programme provided a dynamic platform for youth to engage in meaningful dialogue on national and global issues such as climate change, cultural diversity, and civic responsibility. Through expert-led sessions, interactive discussions, and cultural activities, participants enhanced their leadership, communication, and problem-solving skills. The Mahotsav emphasised the importance of ethical values, discipline, and purposeful action, encouraging youth to translate knowledge into community-level initiatives. It also highlighted the role of digital platforms, innovation, and collaboration in driving social change, ultimately fostering a network of motivated young leaders committed to nation-building and sustainable development.

SOCIAL DEVELOPMENT

SEMINARS AND SYMPOSIUMS

Mr.Rajat Thomas (VYK)

Seminar on International Day of Person with Disabilities

Venue & Date/Duration:

Rajasthan Mahila Kalyan Mandal, Chachiyawas
Campus, Ajmer | 3 December 2025 (One Day)

Objective:

To promote rights, dignity, inclusion, accessible services, inclusive education, livelihood opportunities, and community awareness for persons with disabilities.

Speakers/Facilitators:

Mr. Shakti Singh Rathore (Divisional Commissioner, Ajmer); Mr. Jay Prakash (Jt. Director, Dept. of Social Justice & Empowerment); Mrs. Kshama R. Kaushik (RMKM); Mr. Ranvir Singh (VYK).

Participants:

Approximately 209 participants including parents, students, staff, community members, officials, and corporate representatives.

Key Takeaways:

The programme celebrated achievements of persons with disabilities, highlighted inclusive education, healthcare access, employment opportunities, and stronger implementation of government schemes. It reinforced that collaboration among government, NGOs, corporates, and communities is essential for disability-inclusive development.

4th Mega Fair for PWD candidates

Venue & Date/Duration:

Adwait Early Intervention Centre, Ajmer | 27
February 2026 (One Day)

Objective:

To create an inclusive and dignified platform connecting skilled PWD candidates with employers, promote accessible and inclusive hiring practices, strengthen livelihood opportunities, and raise awareness on disability rights, government schemes, and workplace inclusion.

Speakers/Facilitators:

Mr. Vikram Singh Rathore (Social Worker); Mr. S.P. Mittal (Sr. Journalist); Mrs. Sangeeta Samant (Social Worker); Mrs. Kshama R. Kaushik (RMKM); Mr. Ranvir Singh (VYK); Mr. Pardeep Khatri (VYK).

Participants:

Over 600 Persons with Disabilities (PWDs) from Ajmer and neighbouring districts participated, representing diverse disability categories and educational backgrounds. More than 50 employers from sectors such as hospitality, retail, healthcare, manufacturing, logistics, education, and IT-enabled services also attended.

Key Takeaways:

The job fair successfully facilitated employer engagement, skill demonstrations, counselling, and on-the-spot interviews, resulting in 325 candidates being shortlisted. The programme strengthened confidence among employers and families, promoted inclusive hiring practices, and reinforced the importance of accessibility, dignity, and equal employment opportunities for Persons with Disabilities.

Seminar on Tyre and Road Safety

Venue & Date/Duration:

Shri Arvind Mahila College, Patna | 12 March 2026
(One Day)

Objective:

To raise awareness among youth about road safety, responsible driving practices, tyre maintenance, and preventive measures to reduce road accidents and promote safer road behaviour.

Participants:

196 students, youth participants, educators, road safety experts, and officials attended the seminar.

SOCIAL DEVELOPMENT

SEMINARS AND SYMPOSIUMS

Speakers/Facilitators:

Mr. Prashant Kumar (DSP Traffic, Patna); Mr. Pavitra Roy (JK Tyre & Industries Ltd.), Prof. (Dr.) Sadhana Thakur (Principal, Sri Arvind Mahila College); Dr. Prem Kumar (Founder, PYF); Mr. Rajat Thomas (VYK).

Key Takeaways:

The seminar highlighted the importance of following traffic rules, wearing helmets and seat belts, avoiding drunk driving, and maintaining proper tyre conditions. Experts emphasised that youth can become powerful ambassadors for road safety through responsible behaviour, awareness generation, and timely action during emergencies, contributing to safer communities and accident prevention.

Seminar on Remembering Great Personalities

Venue & Date/Duration:

Vishwa Yuvak Kendra | 23 March 2026 (One Day)

Objective:

To honour the sacrifices of Bhagat Singh, Rajguru, and Sukhdev; promote patriotism, historical awareness, civic responsibility, and youth participation in nation-building.

Speakers/Facilitators:

Mr. K.C. Tyagi (Former MP Lok Sabha & Rajya Sabha); Shri Arvind Kumar Singh (Sr. Journalist & Author); Ms. Neelam Gupta (Sr. Journalist & Author); Dr Alka Aggarwal (Director Mewar Group of Institutions); Mr. Alok Vats (VYK).

Participants:

208 participants including students, educators, and young professionals.

Key Takeaways:

The programme inspired youth to uphold patriotism, justice, and integrity. Speakers highlighted learning from India's freedom struggle, critical thinking, cultural values, and active citizenship. Patriotic performances and Kavi Sammelan reinforced national pride and responsibility toward building a progressive India.

TRAINING AND WORKSHOPS

Workshop on Mind, Body and Heart

Venue & Date/Duration:

Vishwa Yuvak Kendra, New Delhi | 12–13 June 2025 (Two Days)

Objective:

To promote holistic well-being through self-awareness, mental clarity, emotional balance, stress management, and spiritual alignment.

Speakers/Facilitators:

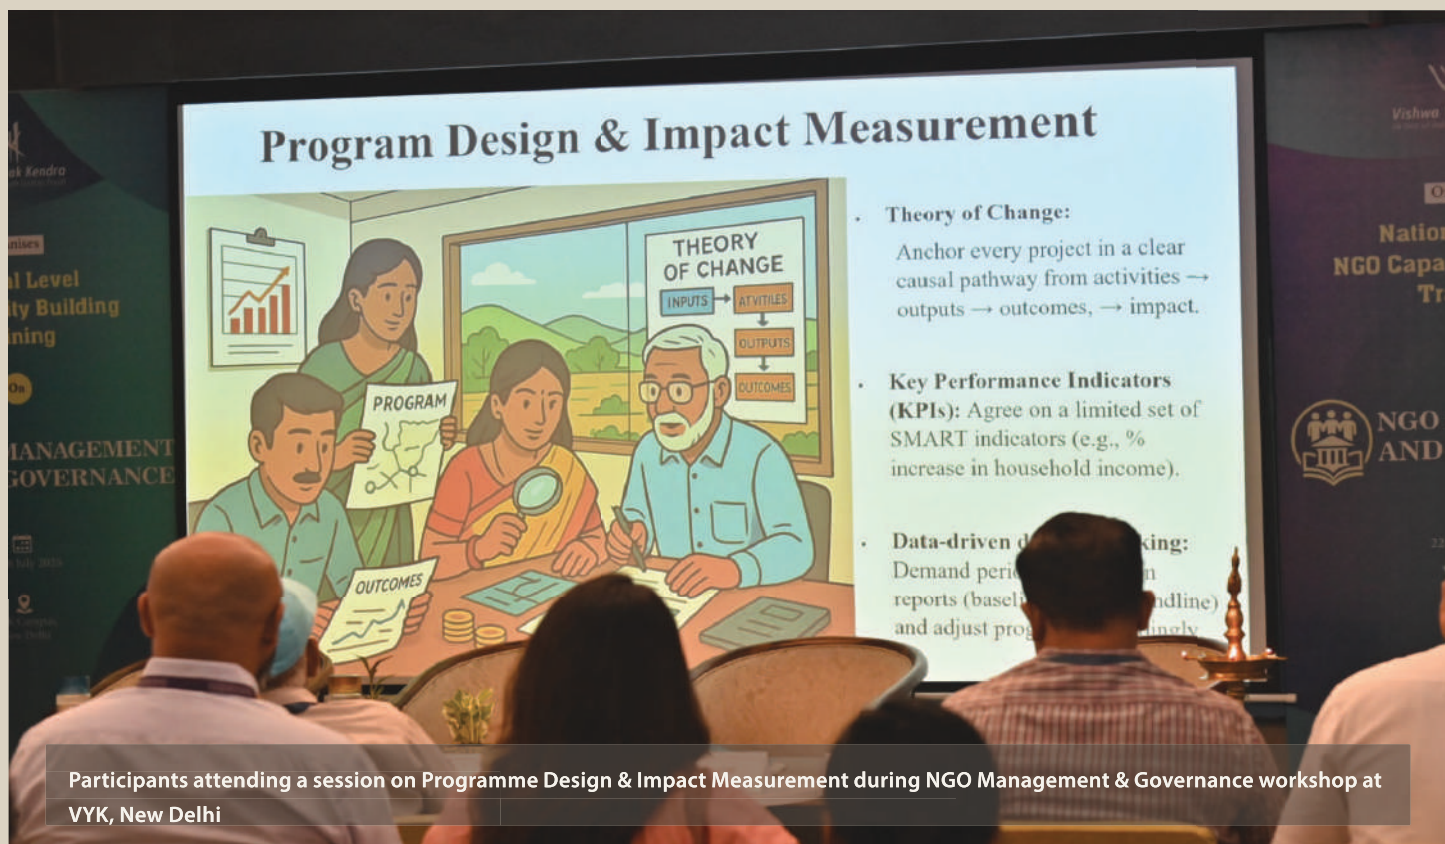

Sri Kiran ji – Spiritual practitioner and guide, Mr. Uday Shankar Singh (VYK), Mr. Abhishek Choudhary (VYK).

Participants:

Around 28 VYK team members attended and actively engaged in the sessions.

Key Takeaways:

Participants learned practical tools for stress management, yoga, meditation, reflection, and visualisation. The workshop enhanced emotional balance, mental clarity, inner peace, and commitment to mindful living, creating a calm and transformative learning environment.

TRAINING AND WORKSHOPS

Five-Day Residential Training on NGO Management & Governance

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), New Delhi | 22–26 July 2025 | Five-day residential training

Objective:

The programme aimed to strengthen the capacities of NGO leaders and professionals in governance, legal compliance, financial management, human resource systems, and resource mobilisation. It focused on promoting transparency, accountability, ethical practices, and strategic planning to enhance organisational sustainability and effectiveness in the evolving development landscape.

Speakers/Facilitators:

Key speakers included Prof. Sudhir K. Sinha (CSR Inc.); Mr. Vishal Bhardwaj (Shree Cement Ltd.); Dr. Harish Vashishth (Former ED, Credibility Alliance); CA Anjani Kumar Sharma (SAGA Pvt. Ltd.); Mr. Sandeep Sharma (FMSF); Ms. Jaswant Kaur (Udaykriti Foundation); Ms. Neha Sharma (Deepalaya); CA (Dr.) Subhajit Sahoo (S. Sahoo & Co.); Dr. Anthony Chettri (Strategy Specialist); Mr. Mukta Bhardwaj (VYK) and distinguished guests Mr. Sandeep Kumar (ONGC Foundation) and Dr. Sujeet Ranjan (United Way of Delhi).

Participants:

69 Participants from NGOs across 17 states, including senior functionaries and professionals

Key Takeaways:

The training provided a comprehensive understanding of NGO governance systems, legal frameworks, and compliance requirements, including FCRA and financial accountability.

Participants gained practical insights into strategic planning, donor management, stakeholder engagement, and resource optimisation. Sessions emphasised the importance of ethical leadership, transparency, and robust institutional systems in building credibility and trust. Tools such as stakeholder mapping, communication planning, and financial management systems enhanced participants' operational capabilities. The programme highlighted the need for integrated, multi-sectoral approaches to development, combining innovation, technology, and community engagement. Overall, the training strengthened participants' ability to build resilient, accountable, and impact-driven organisations aligned with sustainable development goals.

Management Development Programme (MDP)

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), New Delhi | 19–23 August 2025 | Five-day residential programme

Objective:

The programme aimed to strengthen leadership, managerial effectiveness, and operational capabilities of development professionals. Key focus areas included stakeholder engagement, communication, reporting and documentation, adaptability, analytical thinking, decision-making, and team collaboration to enhance organisational effectiveness and community impact.

Speakers/Facilitators:

The programme featured eminent speakers including

Participants:

85 participants from Bajaj Foundation locations (Wardha, Sikar, Lalitpur) and VYK

Key Takeaways:

The programme provided a comprehensive platform for experiential learning through interactive sessions, case studies, and exposure visits. Participants gained practical insights into leadership, communication, teamwork, and problem-solving, along with exposure to best practices such as SEWA's women-led enterprise model and Amul's cooperative framework. Sessions emphasised the importance of emotional intelligence, adaptability, and continuous learning in

SOCIAL DEVELOPMENT

TRAINING AND WORKSHOPS

Speakers/Facilitators

Mr. Apoorv Bajaj (Trustee, Bajaj Foundation); Mr. Haribhai Mori (President-CSR, Bajaj Group); Mr. Mussarat Hussain (Head-HR, Suzuki R&D India); Dr. Suneel Keswani (Motivational Speaker); Mr. Govind Mishra (Corporate Trainer); Ms. Cheena Mishra (Corporate Trainer); Mr. Ashok Kumar Gupta (Former GM, Amul); Ms. Puja Singh (Programme Management Trainer); Ms. Sunitaben (SEWA); Ms. Ramilaben (SEWA); Dr. Richa Chaudhary (HoD, Dr. Bhimrao Ambedkar College); Ms. Mukta Bhardwaj (VYK) among others.

Key Takeaways:

leadership. Participants also developed skills in effective reporting and documentation using structured frameworks. The programme highlighted that sustainable development requires collaboration, ethical leadership, and community-centric approaches. Overall, the MDP enhanced participants' professional competencies, strengthened team synergy, and equipped them to drive impactful and sustainable change in their respective domains.

Capacity Building Training on Resource Mobilisation & Organisational Sustainability

Venue & Date/Duration:

Venue & Date/Duration: Vishwa Yuvak Kendra (VYK), New Delhi | 15–19 September 2025 | Five-day residential programme

Objective:

The programme aimed to strengthen the capacities of civil society organisations in effective resource mobilisation, strategic planning, and organisational sustainability. It focused on enhancing skills in donor engagement, proposal development, budgeting, compliance, and documentation to enable organisations to navigate the evolving funding landscape and achieve long-term impact.

Speakers/Facilitators:

Ms. Mary Rupa Tate (Usha International); Prof. Hitesh Bhatt (Former Director, IRMA); Ms. Padma Raghavan (FIND); Mr. Kunal Verma (Centre for Fundraising); Dr. Harish Vashisth (Credibility Alliance); Prof. Sudhir K. Sinha (CSR Inc.); Ms. Surbhi Raj Ekka (Usha International); Mr. Manjunath K. (VYK) among others.

Participants:

Participants: 47 participants from civil society organisations and development sector institutions.

Key Takeaways:

The training provided comprehensive insights into resource mobilisation strategies, including mapping funding landscapes, understanding donor expectations, and developing impactful proposals. Sessions emphasised the importance of storytelling, digital communication, and relationship-building in fundraising. Participants gained practical exposure to logical framework approaches, budgeting, compliance (CSR, FCRA), and documentation practices. Interactive exercises such as mock pitches, expectation mapping, and group activities enhanced experiential learning. The programme underscored that sustainable resource mobilisation extends beyond fundraising to building trust, transparency, and long-term partnerships. Overall, it strengthened participants' strategic and operational capacities, equipping them to enhance organisational sustainability and deliver measurable social impact.

Dialogue-cum-Workshop on Mental Health & Wellbeing of Caregivers of Persons with Mental Illness

Venue & Date/Duration:

CORD Training Centre, Sidhbari, Kangra, Himachal Pradesh | 8–9 October 2025 | Two-day workshop

Participants:

The workshop engaged 98 stakeholders from seven districts.

Participants attending a workshop on Mental Health and Well Being of Caregivers of Persons with Mental Illness at Sidhbari, Himachal Pradesh

Dr. Adrian Haack, Director, Konrad-Adenauer-Stiftung (KAS India) addressing the JSDP workshop participants at VYK, New Delhi. On the dais (from left to right): Mr. Uday Shankar Singh, CEO, VYK; Padma Shri J.S. Rajput, former Director of NCERT and former Indian Representative on the Executive Board of UNESCO; Mr. Ajit Kumar Rai, Sr. Officer, Sustainability & Development, VYK

SOCIAL DEVELOPMENT

TRAINING AND WORKSHOPS

Objective:

The workshop aimed to enhance awareness on mental health, reduce stigma, and strengthen emotional resilience among caregivers of persons with mental illness (PwMI). It focused on equipping primary and secondary caregivers with practical coping strategies, improving understanding of medical and community-level interventions, and promoting inclusive support systems in rural contexts.

Speakers/Facilitators:

Key speakers included Dr. Anita Thakur (Psychiatrist, Zonal Hospital Dharamshala); Mr. Vijay Kumar (Director, Gunjan Organisation); Dr. Sandeep Sharma (Child Psychologist); Dr. Kavita Thakur (Block Medical Officer); Dr. Deepti Thussu (Psychiatrist); Dr. Kshama Metre (CORD); Mr. Ajit Kumar Rai (VYK). The valedictory session featured Lt. General Kuldeep Jamwal (Retd.) and Dr. Abhishek Thakur (Urologist).

Key Takeaways:

The participants included caregivers, health workers, and NGO representatives. Sessions highlighted the importance of early intervention, counselling, and community-based care, while addressing stigma, caregiver burnout, and mental health challenges in rural settings. Interactive group discussions enabled participants to reflect on real-life challenges and solutions. Emphasis was placed on the critical role of caregivers, the need for social support systems, and the integration of community health workers in identification and referral. The programme concluded with a collective commitment to strengthen awareness, empathy, and institutional support for caregivers and PwMI. Training and Workshops .

41st Joint Staff Development Programme (JSDP) – Technology in the Social Sector: Smart Solutions for a Better India

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), New Delhi | 8–11 November 2025 | Four-day programme

Objective:

The programme aimed to strengthen the capacities of civil society organisations to effectively integrate technology into development practice. It focused on enhancing knowledge of digital tools, data systems, and emerging technologies such as Artificial Intelligence, while promoting ethical, inclusive, and human-centred approaches to technology adoption in the social sector.

Speakers/Facilitators:

Dr. Adrian Haack (Director, KAS India); Padma Shri Dr. J.S. Rajput (Former Director, NCERT); Ms. Arpana Sharma (NASSCOM Foundation); Mr. Vineet Gaur (NISG); Prof. Sandeep Kumar (IIT Delhi); Mr. Uday Shankar Singh (VYK); Mr. Ajit Kumar Rai (VYK) and other experts from government, academia, and civil society organisations.

Participants:

The programme brought together over 90 participants from across India.

Key Takeaways:

The programme brought together over 90 participants from across India, fostering cross-learning and collaboration. Through technical sessions, participants explored digital transformation in governance, data management, AI applications, cybersecurity, and digital communication. Emphasis was placed on bridging the digital divide, strengthening data ethics, and leveraging tools such as MIS systems, mobile platforms, and AI for improved outreach and impact. Case studies demonstrated successful applications of technology in livelihoods, healthcare, and community empowerment. The programme highlighted that technology must be guided by human values, inclusivity, and ethical frameworks. It concluded with a strong commitment towards building digitally capable, collaborative, and future-ready organisations aligned with the vision of Viksit Bharat.

Strengthening our mission - The VYK team with our Chairman and Managing Trustee, Shri Shishir Bajaj

TRAINING AND WORKSHOPS

Heritage Festival 2025

Venue & Date/Duration:

Swami Vivekananda Ground (Astabal), Agartala, Tripura | 20–26 November 2025 (Seven Days)

Objective:

To promote youth empowerment, national integration, cultural exchange, peace, environmental awareness, leadership, and preservation of indigenous heritage through interactive learning, cultural activities, seminars, and community engagement.

Speakers/Facilitators:

Prof. (Dr.) Manik Saha, (Hon. CM, Tripura); Shri Bikash Debbarma (Hon. Min. of Tribal Welfare, Tripura); Shri Animesh Debbarma (Hon. Minister of Forest & Science & Technology, Tripura); Dr. P.K. Chakraborty, IAS (Secretary to Tripura CM); Shri Apoorv Bajaj (Trustee, Bajaj Foundation); Shri Uday Shankar Singh (VYK); Ms. Mukta Bhardwaj (VYK).

Participants:

462 youth participants

Key Takeaways:

The programme brought together delegates from 26 Indian states and participants from 9 countries, along with 93 artisans, entrepreneurs, and farmers' groups. The festival successfully strengthened cultural harmony, leadership, and global friendship among youth. Activities included yoga, seminars, cultural exchanges, environmental awareness sessions, exposure visits, and an Indigenous Arts & Crafts Expo that generated ₹78.26 lakh in sales, supporting local livelihoods and promoting sustainable development.

Workshop-cum-Dialogue on Amyloidosis Awareness, Education & Collateral Issues – “From Despair to Connected Care”

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), New Delhi | 30 December 2025 | (One-day)

Objective:

The programme aimed to enhance awareness and understanding of amyloidosis, address diagnostic and treatment challenges, and promote a multidisciplinary, patient-centric approach to care. It also focused on strengthening collaboration among stakeholders, improving access to treatment and clinical trials, and advancing policy advocacy for rare diseases in India.

Speakers/Facilitators:

Key speakers included Dr. Tulika Seth (AIIMS, New Delhi), Dr. Satish Chandra (Founder, ASGI-RDSSDF), Dr. Adarsh Barwal and Dr. Sudheer K. Arava (AIIMS), Dr. B. S. Vivek (Sir Ganga Ram Hospital), Dr. Avinash Kumar Singh (Paras HMRI), Dr. Alok Sharma (Dr. Lal PathLabs), Dr. Manu Madan (Medanta), Ms. Mukta Bhardwaj (VYK) and other domain experts and practitioners.

Participants:

96 delegates, including medical experts, researchers, policymakers, patient advocates, and stakeholders.

Key Takeaways:

The workshop provided a comprehensive platform for knowledge exchange on amyloidosis, highlighting the importance of early diagnosis and multidisciplinary care in improving patient outcomes. Experts emphasised the need for greater clinical awareness, timely referrals, and the use of advanced diagnostic techniques such as biopsy and laboratory investigations. Discussions underscored the role of patient registries, digital health platforms, and virtual clinics in improving access to care, especially in underserved regions. The programme also highlighted the importance of policy alignment, including integration with national health schemes, and strengthening research and clinical trial ecosystems. Overall, the workshop reinforced the need for collaborative, evidence-based, and patient-centric approaches to bridge gaps in diagnosis, treatment, and long-term care for amyloidosis in India.

ENVIRONMENTAL SUSTAINABILITY

CONCLAVES AND CONFERENCES

OISCA Global Summit 2025 – International Conference on “Regenerating Our Planet: Synergizing for a Sustainable Tomorrow”

Venue & Date/Duration:

Seshadripuram College, Bengaluru | 20–21 November 2025 | Two-day international conference

Objective:

The conference aimed to promote dialogue and collaboration on environmental regeneration, climate action, and sustainable development. It focused on integrating regenerative practices, strengthening youth-led initiatives, and fostering partnerships across academia, government, and civil society for long-term ecological sustainability.

Speakers/Facilitators:

Key dignitaries included Shri H. K. Patil (Minister for Law & Parliamentary Affairs, Govt. of Karnataka); Shri L. Radhakrishnan, IAS (Former Principal Secretary); Dr. Thomas Thevara (OISCA International South India); Dr. Bhargavi V.R., Nadoja (OISCA International South India); Dr. Wooday P. Krishna (Hony. Gen. Secy, Seshadripuram Educational Trust); Dr. N. Krishnakumar (IFS Retd.), Mr. Suresh Heblikar (Actor & Environmentalist); Dr. Padmavathi B.S. (Deputy Director - Academics, Chanakya University); Dr. K.M. Khaleel Chovva (OISCA International South India); Rajat Thomas (VYK) and representatives from international OISCA chapters.

Participants:

200 delegates, including international representatives, academicians, policymakers, youth leaders, and environmental practitioners.

Key Takeaways:

The conference emphasised a shift from conventional sustainability to regenerative approaches, highlighting soil conservation, biodiversity protection, and climate-resilient agriculture. Discussions highlighted youth engagement, indigenous knowledge systems, and community-led initiatives in driving environmental action. The need for integrating policy, technology, and ethical governance was strongly articulated. The adoption of the Bangalore OISCA Global Summit Declaration marked a key outcome, reinforcing commitments toward collaborative sustainability efforts. Overall, the summit strengthened global partnerships and promoted knowledge exchange, innovation, and collective action toward a resilient and sustainable future.

South India CSOs–CSR Conclave on Environmental Sustainability

Venue & Date/Duration:

Golden Metro Hotel, Bengaluru | 7–8 January 2026 | Two-day conclave

Objective:

The conclave aimed to strengthen collaboration between Civil Society Organisations (CSOs), corporates, and government agencies to address climate change, environmental sustainability, and resilience. It focused on promoting collective action, sharing best practices, and developing scalable, community-driven solutions aligned with sustainable development and ESG frameworks.

Speakers/Facilitators:

Key dignitaries included Hon'ble Shri Eshwar Khandre (Minister for Forest, Ecology & Environment, Karnataka); Dr. Mahesh P.S. (CEAH); Ms. Chaya Gandhi (MSME & Startups Forum); Mr. Subramani P. (Digiflic); Dr. A B Patil (Special Officer, Ministry of Agriculture, Govt. of Karnataka); Dr.

Participants:

Nearly 150 delegates, including CSOs, CSR leaders, government representatives, experts, and practitioners from across South India.

Key Takeaways:

The conclave emphasised CSR–CSO convergence in addressing environmental challenges through collaborative approaches. Discussions focused on circular economy practices, renewable energy, climate resilience, biodiversity conservation, and community-led initiatives. The adoption of the Bengaluru Declaration reinforced commitments toward ESG-aligned climate action. Sessions highlighted the role of technology, policy, and grassroots engagement in scaling sustainable solutions. The event strengthened cross-sector partnerships and positioned South India as a proactive hub for environmental sustainability and collaborative development initiatives.

World Environment Day Seminar 2025 – “Beat Plastic Pollution”

Venue & Date/Duration:

Vishwa Yuvak Kendra Campus, New Delhi | 5 June 2025 (One Day)

Objective:

To raise awareness on plastic pollution, encourage sustainable environmental practices, mobilise youth for climate action, and promote community-led environmental responsibility through dialogue and knowledge sharing.

Speakers/Facilitators:

Padma Shri Umashankar Pandey (Water Warrior); Dr. Livleen Kahlon (Associate Director, TERI); Ms. Sulakshana Bramta, (Regional Programming Head, Big FM); Ms. Ambreen Khan (Sr. Manager Youth and Citizen Engagement Environment Education, WWF-India); Dr. Prof.(Mrs) Monika Koul (Professor. Hans Raj College); Dr. Ramji Jaimal (Flower Man of India); Mr. Yogendra Singh Dagar,(International Cyclist), Ranvir Singh (VYK)

Participants:

215 participants including representatives from partner NGOs, youth leaders, environmental experts, students, and civil society members.

Key Takeaways:

The seminar highlighted the urgent need to tackle plastic pollution through behavioural change, sustainable lifestyles, environmental education, and community participation. Discussions focused on water conservation, waste management, sustainable agriculture, microplastics, and youth-led climate action, while reaffirming VYK's commitment to environmental sustainability.

Learning and Sharing Event on World Menstrual Hygiene Management Campaign

Venue & Date/Duration:

Vishwa Yuvak Kendra, New Delhi | 11 June 2025 (One Day)

Objective:

To promote menstrual health awareness, encourage open dialogue on menstrual hygiene management, address stigma and taboos, and strengthen collaboration among organisations working for women's health and dignity.

Speakers/Facilitators:

Ms. Sudha Jhijaria (Head - BHB CSR at Apollo Hospitals); Dr. Satish Chandra (Founder, ASGI & RDSSDF); Mr. Uday Shankar Singh (VYK); Ms. Mukta Bhardwaj (VYK) and representatives from partner NGOs including Milestone, Butterflies, IICU Foundation,Muskan Foundation, and others.

Participants:

51 participants including civil society members, grassroots workers, NGO representatives, health experts, and campaign partners.

Key Takeaways:

The seminar highlighted the importance of menstrual hygiene education, safe sanitary waste disposal, gender-sensitive awareness, and community participation. Speakers emphasised that menstrual health is a human rights issue and encouraged collective action to ensure dignity, health, and access to safe menstrual products for women and girls.

Seminar on Role of Youth as Conservation Leaders of Biodiversity

Venue & Date/Duration:

Dr. V.K. Verma Institute of Medical Science, Basti, Uttar Pradesh | 16 January 2026 | (One-day)

Participants:

Approximately 320 students from diverse disciplines including medicine, social work, and life sciences.

Group photo of delegates attending Learning and Sharing Event on World Menstrual Hygiene Management Campaign at VYK, New Delhi

ENVIRONMENTAL SUSTAINABILITY

SEMINARS AND SYMPOSIUMS

Objective:

The seminar aimed to build awareness on biodiversity conservation, address ecological challenges such as habitat loss, climate change, and species extinction, and empower youth to take leadership roles in promoting sustainable environmental practices and community-based conservation initiatives.

Speakers/Facilitators:

Key sessions were led by Dr. Shivendra Mohan Pandey (Assistant Professor, Botany, Shivharsh Kisan P. G. College); Dr. Prem Shankar (Scientist, KVK Basti); Dr. Raghvendra Vikram Singh (Scientist, KVK Basti); Dr. Basant Kumar (Assistant Professor, Sandip University); Mr. Uday Shankar Singh (VYK); Mr. Anand Kumar (VYK) along with partner organisations.

Key Takeaways:

The seminar fostered engagement through technical sessions, panel discussions, and group activities. Participants gained insights into biodiversity threats using frameworks such as HIPPO, and explored conservation models and youth-led initiatives. Emphasis was placed on sustainable practices, green entrepreneurship, and digital tools for awareness. Interactive group work enabled participants to identify ecological issues and develop conservation plans. The programme concluded with a youth pledge and action planning, reinforcing commitment to biodiversity clubs, awareness campaigns, and partnerships. Overall, the seminar strengthened environmental consciousness, enhanced youth leadership, and encouraged action toward ecological

TRAINING AND WORKSHOPS

Bridging the Gap: CSO Strategies for Effective WASH Partnerships with Government

Venue & Date/Duration:

Tamil Nadu Laity Commission, Tiruchirappalli District | 15–16 October 2025 | Two-day state-level training programme

Objective:

The programme aimed to strengthen collaboration among civil society organisations, corporate CSR entities, and government departments to advance Water, Sanitation and Hygiene (WASH) outcomes. It focused on enhancing institutional capacities, promoting community participation, and aligning grassroots initiatives with national missions such as Swachh Bharat Mission (SBM) 2.0 and Jal Jeevan Mission.

Speakers/Facilitators:

Key speakers included Dr. Putheri Babu (Director, TVSSST–CSR), Mr. Rajat Thomas (VYK), Padmashri Dr. Marachi Subburaman (SCOPE NGO), Dr. Narayan (Gramium Foundation), Mr. A. Raja Kumar Baskar (Former UNICEF WASH Specialist), Mr. Mohanasundaram (Tamil Nadu WASH Network), among others.

Participants:

86 participants representing voluntary organisations and NGOs from 30 districts of Tamil Nadu.

Key Takeaways:

The training provided insights into WASH strategies, highlighting linkages between sanitation, public health, climate resilience, and socio-economic development. Sessions emphasized behaviour change communication, community ownership, and sustained awareness for sanitation outcomes. Participants gained practical knowledge on CSR engagement, government liaisoning, and sanitation models, including eco-friendly toilets and community-led approaches. The programme reinforced the importance of multi-stakeholder collaboration, resource optimisation, and networking for implementation. Overall, it strengthened participants' capacities to design and implement sustainable WASH interventions, contributing to SDG 6—Clean Water and Sanitation for All by 2030.

TRAINING AND WORKSHOPS

Workshop on Youth and Environment: Advancing Climate Adaptation and Mitigation through NGO Leadership

Venue & Date/Duration:

Golden Jubilee Hall, Panjab University, Chandigarh
| 20–21 December 2025 (Two Days)

Objective:

To strengthen youth and NGO leadership in climate adaptation and mitigation, foster cross-sector collaboration, develop actionable climate strategies, promote sustainable development, and create a roadmap for youth-led environmental action aligned with the Sustainable Development Goals (SDGs).

Speakers/Facilitators:

Shri K.K. Yadav, IAS (Admn. Industry & Commerce, Punjab Govt.); Dr. Rajan Welukar (Former VC, Mumbai University); Dr. Vivek Trivedi (Founder and Principal Advisor APSDWP); Prof. Harminder Singh (HoD, Dept. of Environment Studies, Panjab University); Dr. Anshu Kumar (Hon. Director General, APSDWP); Mr. Manjunath K. (VYK)

Participants:

Over 100 delegates including youth leaders, academicians, policymakers, civil society organisations, development practitioners, media representatives, and environmental experts from multiple states of North India.

Key Takeaways:

The workshop promoted collaborative climate action through expert panels, thematic working groups, and youth engagement sessions. Key outcomes included the launch of the APSWDP-VYK Joint Youth Action Plan for Sustainability, signing of four MoUs, recognition of climate changemakers, and strengthened focus on green skills, renewable energy, clean air, and community-based climate resilience.

Seeds for Transition India – Climate Skills Regional Workshops

Venue & Date/Duration:

Goa, Bengaluru, Bhopal, Delhi, and Guwahati| during September–October 2025 as two-day workshops.

Objective:

The programme aimed to build climate literacy, strengthen green and future-ready skills, and develop youth leadership for climate action. It focused on promoting systems thinking, innovation, and community-driven solutions while enabling young people to connect global climate frameworks with local realities.

Speakers/Facilitators:

Sessions were led by experts and facilitators from The Energy and Resources Institute (TERI), TERI School of Advanced Studies, British Council partners, and regional knowledge institutions. Key sessions included thematic inputs, leadership talks, and technical discussions delivered by domain experts and practitioners.

Participants:

The workshops engaged over 500 youth participants from colleges and universities across multiple states, fostering diverse and interdisciplinary participation.

Key Takeaways:

The workshops successfully enhanced participants' understanding of climate change, sustainability, and green livelihoods. Through experiential and participatory learning methods, youth developed practical skills in systems mapping, problem-solving, and solution design. The programme strengthened leadership, communication, and collaborative abilities, enabling participants to design community-level climate action plans. A strong emphasis on interdisciplinary learning, peer exchange, and real-world application fostered confidence among youth to act as change-makers. Overall, the initiative contributed to building a network of informed, skilled, and motivated young leaders committed to advancing climate resilience and sustainable development.

ENVIRONMENTAL SUSTAINABILITY

TRAINING AND WORKSHOPS

Workshop on Disaster Management

Venue & Date/Duration:

Shri Krishna Science Centre, Patna | 13–14 March 2026 (Two Days)

Objective:

To strengthen risk assessment, emergency preparedness, response strategies, resource mobilization, and coordination between NGOs, communities, and government agencies.

Speakers/Facilitators:

Shri Vijay Kumar Sinha (Hon'ble Deputy CM Bihar); Shri Narayan Prasad (Hon'ble Minister of Disaster Management, Bihar); Shri Waris Khan (Secretary, Bihar State Disaster Management Authority); Dr. Prem Kumar (PYF); Mr. Rajat Thomas (VYK) and other dignitaries.

Participants:

Approximately 130 NGO representatives from multiple states including Bihar, Maharashtra, Uttarakhand, Jharkhand, West Bengal, Uttar Pradesh, Odisha, and Madhya Pradesh.

Key Takeaways:

The workshop emphasised community resilience, early warning systems, media communication, stress management, cyber security, and multi-stakeholder collaboration. It strengthened NGO networks and preparedness systems aligned with the vision of Viksit Bharat 2047.

Regional Workshop on Empowering Civil Society for Inclusive WASH (Water, Sanitation and Hygiene)

Venue & Date/Duration:

Red Cross Bhawan, Bhubaneswar | 30–31 October 2025 (Two Days)

Objective:

To strengthen capacities of civil society organisations for inclusive and rights-based WASH governance, enhance collaboration, and align advocacy with national priorities and SDG 6.

Speakers/Facilitators:

Mr. Ganesh Chandra Patra, IAS (Indian Red Cross Society); Mr. Murali Ramisetty (Regional Council Chair, FANSA); Mr. Purna Chandra Misra (Director, IIYD); Mr. Soumya Ranjan Patnaik (Former MLA); Mr. Uday Shankar Singh (VYK) and sector experts.

Participants:

Around 105 participants, including CSOs, NGOs, CBOs, government officials, youth leaders, media representatives, and community leaders from multiple states.

Key Takeaways:

The workshop focused on inclusive WASH governance, disability-friendly sanitation, climate resilience, grassroots innovations, and government schemes. Participants exchanged best practices, strengthened partnerships, and explored participatory approaches for marginalised communities. The event concluded with recognition of Sanitation Ambassadors and a collective commitment to achieving “WASH for All – Leave No One Behind.”

SEMINAR AND SYMPOSIUM

Beauty & Grooming Certificate Course – Batch Completion 2024–25

Venue & Date/Duration:

Navjyoti India Foundation Training Centre, Delhi | November 2024 – May 2025 (Six Months)

Objective:

To enhance vocational skills and employability of young women through professional training in beauty culture, hair styling, make-up, personality development, and career readiness.

Speakers/Facilitators:

Trainers and programme staff from Navjyoti India Foundation with support from Vishwa Yuvak Kendra.

Participants:

35 enrolled learners; 27 successfully completed the programme.

Key Takeaways:

The course delivered 176 hours of theory and practical learning along with a 28-hour internship. Students received advanced exposure through Nail Art, Bridal Make-up, Hair Styling workshops, and participation in Beauty Expo events. The programme achieved a 77% completion rate and improved technical, client-handling, and self-confidence skills. Several graduates secured employment in salons, contributing to family incomes and becoming financially independent.

One-Day Seminar on Agri Branding and Marketing through Digital Platforms

Venue & Date/Duration:

Krishi Vigyan Kendra, Banjariya Basti, Uttar Pradesh | 15 January 2026 | (One-day)

Objective:

The seminar aimed to strengthen the marketing capacities of farmers and FPOs by building awareness on agricultural branding, digital marketing, and innovative business practices. It focused on enabling participants to enhance product value through packaging, pricing, certification, and effective use of digital platforms to access wider markets.

Speakers/Facilitators:

Key resource persons included Dr. Prem Shankar and Dr. Raghvendra Vikram Singh (Scientists, KVK Basti), Mr. Mangla Prasad Maurya (Rooftop Farming Expert), along with eminent dignitaries such as Col. K. S. Mishra (National Awardee), Dr. Ram Bachan Ram (Joint Director, Agriculture), Dr. Ashok Kumar Gautam (Deputy Director, Agriculture), Dr. P.K. Mishra (KVK Basti), Mr. Bhanu Prakash Rana (Agro Editor), Mr. Uday Shankar Singh (VYK), Mr. Anand Kumar (VYK).

Participants:

235 participants, including farmers, Farmer Producer Organisations (FPOs), youth representatives, and sector experts.

Key Takeaways:

The seminar provided practical insights into branding, digital marketing, and value addition in agriculture. Participants learned to leverage social media, e-commerce platforms, and digital storytelling to enhance market reach and build consumer trust. Sessions emphasised packaging standards, certification (including FSSAI compliance), and value-based pricing to improve product competitiveness. Demonstrations on rooftop farming highlighted innovative livelihood opportunities. The programme fostered knowledge exchange, strengthened linkages among stakeholders, and encouraged farmers to adopt modern marketing practices. Overall, it contributed to building capacity for sustainable income enhancement and market-driven agricultural development.

ENVIRONMENTAL SUSTAINABILITY

SEMINAR AND SYMPOSIUMS

Seminar on Enhancing Employment and Employability in Today's Times

Venue & Date/Duration:

St. Antony's College of Arts and Sciences for Women,
Dindigul | 24 March 2026 (One Day)

Objective:

To provide students with insights into career opportunities, industry expectations, employability skills, and professional growth in today's job market.

Speakers/Facilitators:

Mr. Niraj Kumar Lal (Head-CSR, Arvind Ltd.); Mr. Kupendra Raju (Aspire Footwear Ltd.); Mr. Rajat Thomas (VYK).

Participants:

1,384 participants (students and faculty).

Key Takeaways:

Students learned the importance of time management, adaptability, skill upgradation, self-employment opportunities, and continuous learning. The seminar improved confidence, awareness of industry expectations, and motivation for career development.

Seminar on Enhancing Employment and Employability in Today's Times

Venue & Date/Duration:

Madonna Arts and Science College for Women,
Madurai | 25 March 2026 (One Day)

Objective:

To create awareness on the evolving employment landscape, equip students with industry-relevant skills, and enhance their readiness to meet emerging career opportunities and challenges.

Speakers/Facilitators:

Mr. Niraj Kumar Lal (Head-CSR, Arvind Ltd.); Mr. Kuppendra Raju (Aspire Footwear Ltd.); Mr. Rajat Thomas (VYK).

Participants:

499 students, faculty members, and stakeholders.

Key Takeaways:

The seminar provided insights on employability, skill development, and industry expectations through interactive sessions and real-life examples. Speakers emphasised continuous learning, adaptability, and bridging the gap between education and employment. Students gained clarity on career pathways and were motivated toward self-development. The programme concluded with certificate distribution and recognition, reinforcing confidence and preparedness among participants for future opportunities.

Convocation of Beauty and Grooming Courses 2025-26

Venue & Date/Duration:

SLB Hall, Navjyoti Skills Academy, New Delhi | 25 March 2026 (One Day)

Objective:

To celebrate successful completion of the Beauty and Grooming courses, recognise student achievements, distribute certificates, and motivate learners toward employment, entrepreneurship, and continuous skill development.

Speakers/Facilitators:

Team members from Vishwa Yuvak Kendra (Mr. Ranvir Singh, Mr. Rakesh Singh, Mr. Anand Kumar, Mr. Tarun Nagar), Mr. Uday Shankar Singh (VYK-virtual message), Ms. Neetu Sharma Joshi (Navjyoti Foundation).

Participants:

80 graduating students, faculty members, guests, and trainees.

Key Takeaways:

The convocation highlighted student growth in technical skills, confidence, and professional readiness. Certificates were awarded to successful trainees, while inspiring messages emphasized lifelong learning, creativity, and customer-focused service. Student success stories motivated current learners and reinforced the value of skill-based education for self-reliance, employment, and entrepreneurship in the beauty and grooming sector.

SEMINAR AND SYMPOSIUMS

Skill Development & Entrepreneurship: Perspective & Prospects

Venue & Date/Duration:

VYK Campus | 02 July 2025 (One Day)

Objective:

To explore the skill development ecosystem, promote entrepreneurship among youth, strengthen partnerships, and develop actionable strategies for inclusive skilling and livelihood creation.

Speakers/Facilitators:

Dr. Sangram Keshari (Project Point); Mr. Uday Shankar Singh (VYK); Mr. Ranvir Singh (VYK); along with other VYK and Project Point team members.

Participants:

Around 40 young individuals and stakeholders from across India.

Key Takeaways:

The workshop featured group discussions on skill ecosystems, implementation challenges, emerging opportunities, and collaborative strategies. Participants highlighted the need for innovation-driven skilling models, stronger public-private partnerships, digital learning, local IEC tools, and rural outreach. High-growth sectors such as AI, robotics, cybersecurity, and organic farming were identified as future opportunities. The programme reinforced VYK's commitment to nurturing youth leadership, entrepreneurship, and sustainable employment pathways.

World Youth Skills Day 2025 – Youth Empowerment through AI & Digital Skills

Venue & Date/Duration:

VYK Campus | 15 July 2025 (One Day)

Objective:

To promote youth employability through AI and digital skills, encourage industry-academia collaboration, and create awareness on future-ready skills, entrepreneurship, and innovation.

Speakers/Facilitators:

Dr. Vinita Aggarwal, (IES (Retd.), Executive Member, (NCVET); Dr. Rishikesh Patankar (Vice President,(NSDC); Dr. Ashok Kumar Gupta, IAS (Retd.), (CEO, Dalmia Bharat Foundation); Mr. Uday Shankar Singh (VYK); Mr. Ranvir Singh (VYK) and distinguished panel experts from government, CSR, academia and industry.

Participants:

Around 115 participants, including youth, professionals, educators, CSR representatives, and development sector stakeholders.

Key Takeaways:

Organized by Vishwa Yuvak Kendra in collaboration with Dalmia Bharat Foundation, the seminar highlighted AI as a productivity enabler, the growing importance of digital literacy, apprenticeships, and lifelong learning. A strategic MoU was signed to strengthen youth skilling initiatives. The event inspired participants through expert insights, success stories, and actionable pathways for employment, entrepreneurship, and inclusive growth.

Discussing actionable strategies for livelihood creation

Mr. Ashok K Gupta, IAS (Retired), CEO Dalmia Bharat Foundation addressing the gathering. On the Dais (From left to right): Mr. Uday Shankar Singh, CEO, VYK; Dr. Rishikesh Patankar, Vice President NSDC; Dr. Vinita Aggarwal, IES Retired, Executive Member, NCVET

ECONOMIC EMPOWERMENT

TRAINING AND WORKSHOPS

Stakeholder Meet on Skill & Entrepreneurship Development

Venue & Date/Duration:

Red Cross Bhavan, Bhubaneswar | 25 June 2025 (One Day)

Objective:

To unite key stakeholders for dialogue on strategies to promote market-relevant skills, entrepreneurship, youth employability, and inclusive livelihood opportunities, particularly for rural youth.

Speakers/Facilitators:

Mr. Sanjay B. Kumar (DGM, Dalmia Bharat Foundation); Mr. P.C. Misra (Director, IIYD); Mr. Dipak Senapati (Dalmia Bharat Foundation), Mr. Uday Shankar Singh (VYK); Mr. Ranvir Singh (VYK).

Participants:

Around 40 participants from government agencies, development organisations, academic institutions, and corporate partners.

Key Takeaways:

The meet highlighted collaboration among government, NGOs, academia, and industry to bridge skill gaps and foster entrepreneurship. Discussions identified emerging sectors such as AI, robotics, cybersecurity, and organic agriculture. Recommendations included stronger public-private partnerships, localised training infrastructure, digital learning platforms, career counselling, and expanded rural outreach. The programme reinforced commitment to sustainable youth skilling and long-term employment generation.

Dhyeya-7 Exposure-cum-Capacity Building Training Programme in Agriculture, Water, Education and Livelihood

Venue & Date/Duration:

Sikar, Rajasthan | 9–13 September 2025 (Five Days)

Objective:

To strengthen capacities of rural organisations through experiential learning in natural farming, water management, entrepreneurship, livelihood diversification, and resilient community institutions.

Participants:

102 representatives from Civil Society Organisations (CSOs) and Farmer Producer Organisations (FPOs) from 17 states.

Speakers/Facilitators:

Ms. Bhawana Sharma (ADM, Sikar), Mr. Apoorv Bajaj (Trustee, Bajaj Foundation), Mr. Haribhai Mori (President CSR, Bajaj Foundation & Trustee, IYCT), Mr. Uday Shankar Singh (CEO, VYK), Mr. Ranvir Singh (VYK).

Key Takeaways:

Participants gained practical exposure to watershed models, natural farming, seed banks, rainwater recharge, collective marketing, women entrepreneurship, and youth-led sustainability initiatives. The programme also launched the Dhyeya Network for mentoring, collaboration, and replication of scalable rural development models.

Group Photo of participants during Dhyeya 7 at Sikar, Rajasthan

DHYEYA

A UNIQUE INITIATIVE OF VISHWA YUVAK KENDRA AND BAJAJ FOUNDATION

Dhyeya-8 Exposure-cum-Capacity Building Training Programme for DSSW Students

Venue & Date/Duration:

Sewagram, Wardha | 24–29 November 2025 |(Five Days)

Objective:

To strengthen field exposure, technical competencies, and community engagement skills through practical learning in water, agriculture, livelihood, and education models.

Participants:

122 participants, including DSSW Batch 2026 students and stakeholders.

Speakers/Facilitators:

Dr. Ulhas Jajoo (Professor of Medicine, MGIMS,Sewagram), Mr. Apoorv Bajaj (Trustee, Bajaj Foundation) , Mr. Haribhai Mori (President CSR, Prof. Sanjoy Roy (DSSW) , Bajaj Foundation & Trustee, IYCT), Mr. Uday Shankar Singh (CEO,VYK), Ms. Shikha Singh (VYK).

Key Takeaways:

Participants gained firsthand exposure to water conservation, natural farming, FPOs, PRA tools, ecological restoration, dairy cooperatives, and community-led development. The programme strengthened empathy, leadership, ethical values, and practical rural development skills.

Group photo during DSSW exposure visit at Bajaj Wadi, Sewagram, Wardha

Dhyeya-9 Exposure-cum-Capacity Building Training Programme in Agriculture, Water, Education and Livelihood

Venue & Date/Duration:

Sewagram, Wardha | 20–24 January 2026 (Five Days)

Objective:

To strengthen grassroots capacities through experiential learning in agriculture, water conservation, education, livelihoods, and sustainable rural development models..

Participants:

Nearly 115 participants representing NGOs and Farmer Producer Organizations (FPOs) from across India.

Speakers/Facilitators:

Mr.Sushant Patil(DDM, NABARD,Wardha), Mr.Apoorv Bajaj (Trustee, Bajaj Foundation), Mr.Haribhai Mori(Trustee, Bajaj Foundation),Dr.Gopal Paliwal (Secretary & Director, Centre for Bee Development), grassroots agro-entrepreneurs, Mr.Rajat Thomas (VYK) and representatives from Vishwa Yuvak Kendra and Bajaj Foundation.

Key Takeaways:

The programme combined expert sessions, field visits, and peer learning on natural farming, watershed management, horticulture, seed preservation, agro-enterprises, and rural livelihoods. Participants visited successful farms, river revival projects, and heritage institutions linked to Gandhian values. The initiative enhanced practical knowledge, leadership perspectives, and replicable development approaches for sustainable community-led growth.

EXPOSURE VISIT

International Academic Exchange Programme with Liverpool Hope University, United Kingdom

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), Chanakyapuri, New Delhi | 24 April 2025 | (One-day)

Objective:

The programme aimed to foster cross-cultural understanding, strengthen international academic collaboration, and promote exchange of knowledge and best practices in social work and community development. It focused on bridging academic learning with field realities and encouraging comparative perspectives on global development

Speakers/Facilitators:

Key speakers included Dr. Lorna Bourke (Associate Professor, Liverpool Hope University), Dr. Simon Davies (Senior Lecturer, Liverpool Hope University), Ms. Mbachi Mphande (Global Student & Partnership Officer), and Ms. Junita Paul Lal (Director, DNR Foundation), Mr. Uday Shankar Singh (VYK), Mr. Rajat Thomas (VYK), along with facilitators from Delhi School of Social Work.

Participants:

Over 35 participants, including 15 international delegates, VYK team members, and social work interns from the University of Delhi

Key Takeaways:

The programme facilitated rich academic dialogue on comparative social work practices in India and the UK, highlighting challenges such as community engagement, policy implementation, and field-level complexities. Discussions emphasized the importance of contextualised curricula, practice-based learning, and trauma-informed approaches. Participants gained insights into diverse methodologies, research practices, and supervision models. The exchange fostered mutual learning, strengthened professional networks, and opened avenues for future collaboration, including joint research, student exchanges, and cross-cultural field placements. Overall, the programme reinforced the value of global partnerships in advancing inclusive, community-centered development and preparing socially responsible professionals.

Exposure Visit of RUDs MSW College, Raichur Students to Vishwa Yuvak Kendra

Venue & Date/Duration:

VYK Campus, New Delhi | 26 May 2025 | (One-day)

Objective:

The programme aimed to provide MSW students with practical exposure to grassroots social work, enhance cross-cultural learning, and build understanding of integrated community development, entrepreneurship, and career pathways in the development sector. It also focused on strengthening awareness of digital engagement and the role of social media in development practice.

Speakers/Facilitators:

The session was facilitated by Mr. Manjunath K. (VYK). Key inputs were provided by Mr. Uday Shankar Singh (CEO, VYK) along with contributions from VYK team members.

Participants:

Nineteen participants including students and faculty visited VYK campus as part of the exposure visit.

Key Takeaways:

The exposure visit provided valuable insights into rural and urban development, integrated community development approaches, and the role of youth in driving social change. Participants gained clarity on professional opportunities in the social sector and the importance of innovation and entrepreneurship in development work. Sessions on digital tools highlighted the significance of responsible and effective use of social media, particularly platforms like LinkedIn, for professional growth and outreach. Interactive discussions and a Q&A session enabled participants to deepen their understanding of real-world challenges and solutions in social work. Overall, the programme enhanced practical learning, broadened perspectives, and strengthened the readiness of students to contribute meaningfully to community development and nation-building.

EXPOSURE VISIT

Exposure Visit of Rural Management Students – Xavier Institute of Social Service (XISS), Ranchi

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), New Delhi | 24 September 2025 | (One-day)

Objective:

The programme aimed to provide experiential learning by connecting classroom knowledge with real-world development practices. It familiarised students with organisational systems, grassroots realities, and professional roles in the social sector, while encouraging ethical perspectives in development work.

Speakers/Facilitators:

The session was facilitated by Ms. Mukta Bhardwaj (VYK). Key inputs were provided by Mr. Uday Shankar Singh (CEO, VYK) along with contributions from VYK team members..

Key Takeaways:

The exposure visit provided participants with valuable insights into VYK's programmes, including youth empowerment, capacity building, entrepreneurship, and digital engagement initiatives. Sessions highlighted the importance of collaboration, innovation, and the use of digital tools in driving social change. Participants gained a deeper understanding of organisational functioning, stakeholder engagement, and the evolving development landscape. Interactive discussions and Q&A sessions enabled reflection on ethical practices, career pathways, and the role of professionals in community development. Overall, the visit enhanced practical understanding, strengthened motivation, and encouraged students to apply learned concepts in field-based projects, fostering socially responsible and impact-driven development professionals.

Participants:

A group of 45 students and faculty attended VYK as part of this exposure visit.

Exposure Visit of Students – Rajiv Gandhi University, Arunachal Pradesh

Venue & Date/Duration:

Vishwa Yuvak Kendra (VYK), New Delhi | 28 January 2026 | One-day)

Objective:

The programme aimed to provide students with practical exposure to development sector practices, bridge the gap between academic learning and field realities, and enhance understanding of institutional functioning, youth development initiatives, and the role of civil society organisations. It also sought to promote knowledge exchange and inspire students to explore career pathways in the development sector.

Speakers/Facilitators:

Sessions were facilitated by Dr. Toko Jiri (Guest Lecturer, Rajiv Gandhi University); Mr. Rajat Thomas (VYK); Ms. Mukta Bhardwaj (VYK). Key inputs were

Key Takeaways:

The exposure visit provided participants with insights into youth development, institutional processes, and civil society engagement. Students gained understanding of programme planning, implementation, partnerships, and sustainable development. Sessions on skill development and entrepreneurship highlighted livelihood opportunities, while intern interactions offered practical field perspectives. The programme emphasized continuous learning, digital literacy, communication skills, and ethical engagement in development work. Interactive discussions connected theoretical knowledge with real-world applications, strengthening professional orientation. Overall, the visit enhanced students' confidence, broadened perspectives, and encouraged meaningful

contributions toward community development and nation-building.

Participants:

43 students from Rajiv Gandhi University, along with faculty members, interns, and VYK professionals.

Exposure Visit for Students of North Michigan University

Venue & Date/Duration:

Vishwa Yuvak Kendra Campus | 27 February 2026
(One Day)

Objective:

To promote cultural exchange, collaborative learning, and dialogue on global social challenges through experiential exposure and academic partnership. challenges.

Speakers/Facilitators:

Dr. Vikash Kumar (Associate Professor, NMU);
Dr. Karl Johnson (Associate Professor, NMU);
Dr. Caroline Cheng (Associate Professor, NMU);
Prof. Sanjoy Roy (Professor and Head, DSSW);
Dr. Abhishek Thakur (Assistant Professor, DSSW);
Dr. Sudhir Maske (Assistant Professor, DSSW);
Mr. Uday Shankar Singh (VYK); Mr. Rajat Thomas (VYK), along with VYK Team.

Key Takeaways:

The programme emphasised cross-cultural understanding, experiential learning, pluralism, and inclusive social work practice. Discussions covered inequality, migration, climate change, mental health, and technology, highlighting the need for collaborative, community-driven, and globally informed development approaches.

Participants:

25 participants including faculty, students, and social work professionals from India and the USA.

Group photo of the inaugural program of the Exposure visit jointly organized by North Michigan University, DSSW, Delhi University and VYK

EXPOSURE VISIT

Exposure Visit DSSW Gateway to India: Culture, Community & Social Change Exposure Visit 2026 – Valedictory Programme

Venue & Date/Duration:

Vishwa Yuvak Kendra | 6 March 2026 (One Day)

Objective:

To reflect on learning from the exposure visit, celebrate intercultural understanding, and strengthen academic collaboration between VYK, Northern Michigan University, and the Department of Social Work, University of Delhi.

Speakers/Facilitators:

Mr. Sushant Verma (Asia Regional Director, Trickle Up); Dr. Vikash Kumar (Associate Professor, NMU); Dr. Caroline Cheng (Associate Professor, NMU); Dr. Karl Johnson (Associate Professor, NMU); Prof. Sanjoy Roy (Professor and Head, DSSW); Dr. Sudhir Maske (Assistant Professor, DSSW); Mr. Uday Shankar Singh (VYK); Mr. Rajat Thomas (VYK) along with other VYK Team members..

Participants:

25 participants including faculty, students, and social work professionals from India and the USA.

Key Takeaways:

The programme highlighted empathy, cultural competence, global citizenship, grassroots learning, and lifelong reflection. It reinforced collaboration, youth leadership, and future partnerships through exchanges, research, and social justice initiatives.

Group photo of the Valedictory session of the Exposure visit jointly organized by North Michigan University, DSSW, Delhi University and VYK

Awareness Session on Government Schemes for BPL Families

Venue & Date/Duration:

Vivekanand Camp, Delhi | 17 April 2025 (One Day)

Objective:

To create awareness about government welfare schemes for BPL families, improve access to benefits, explain eligibility and application processes, and encourage greater utilization of available government support systems.

Speakers/Facilitators:

VYK Team and Student Interns.

Participants:

53 community members, including women, youth, slum dwellers, and unorganized workers.

Key Takeaways:

Vishwa Yuvak Kendra organized an impactful awareness session covering schemes such as PM Svanidhi Yojana, PM Jeevan Jyoti Bima Yojana, Sukanya Samriddhi Yojana, E-Shram Card, Mudra Loan Scheme, PM Shram Yogi Maandhan, Janani Suraksha Yojana, and pension schemes. The programme simplified complex information through interactive discussions and practical guidance on enrolment. Participants showed strong engagement and increased confidence in accessing welfare benefits. The session promoted financial inclusion, social security awareness, and strengthened the link between government schemes and grassroots communities.

World Menstrual Hygiene Campaign 2025 – “Together for a Period-Friendly World”

Venue & Date/Duration:

Delhi and NCR Regions | May–June 2025

Objective:

To raise awareness on menstrual hygiene management, break myths and taboos, promote safe menstrual practices, and improve access to affordable and eco-friendly menstrual hygiene products among underserved communities.

Speakers/Facilitators:

The campaign was organised by Vishwa Yuvak Kendra in collaboration with FANSA India Delhi Chapter and partner organisations including Milestone, Butterflies, IICU Foundation, Muskan Foundation, Nav Srishti, RAWAT, and others.

Participants:

1673 adolescent girls and women

Key Takeaways:

The participation included adolescent girls and women participated through outreach activities conducted across 19 slums, unauthorised colonies, and community locations with support from multiple grassroots organisations.

The campaign conducted awareness sessions, group discussions, storytelling, case studies, demonstrations, and sanitary pad distribution drives. It successfully promoted menstrual health awareness, dignity, safe hygiene practices, and community engagement while encouraging open conversations around menstruation and women's health.

Community Awareness Programme on Swachh Bharat Abhiyan

Venue & Date/Duration:

Bhaiya Ram Camp | 30 June 2025 (One Day)

Objective:

To promote awareness on cleanliness, hygiene, waste segregation, environmental responsibility, and

Key Takeaways:

Vishwa Yuvak Kendra conducted an engaging awareness programme under Swachh Bharat Abhiyan using poster competitions, street plays, storytelling, speeches, and slogan sessions.

Objective:

Community participation in maintaining healthy surroundings.

Speakers/Facilitators:

VYK Team and Student Interns.

Participants:

130 community participants, including youth, women, adolescents, and pre-adolescents.

Key Takeaways:

Participants learned the importance of personal hygiene, sanitation, waste segregation through green and blue bins, and collective responsibility for cleaner communities. The interactive approach created strong enthusiasm among youth and community members. The programme successfully encouraged behavioural change, environmental consciousness, and active citizen participation toward building a healthier and cleaner society.

Teacher's Day Celebration Programme**Venue & Date/Duration:**

Bhaiya Ram Camp | 4 September 2025 (One Day)

Objective:

To sensitise adolescents on the importance of respecting teachers and mentors, promote creativity through interactive activities, and strengthen values, discipline, and moral learning.

Speakers/Facilitators:

VYK Team and Student Interns from DSSW.

Participants:

75 adolescents and community children.

Key Takeaways:

Vishwa Yuvak Kendra organised an engaging Teacher's Day celebration featuring drawing competitions, storytelling, riddles, talent performances, and leadership activities. Participants expressed gratitude towards teachers, enhanced creativity, and developed confidence through poetry, songs, and art. Interactive sessions promoted critical thinking, teamwork, discipline, and reflection on moral values. The programme successfully reinforced the importance of education and strengthened the bond between students and teachers, leaving a positive and lasting impact on all participants.

Global Handwashing Day Awareness Programme**Venue & Date/Duration:**

Shankar Camp, Kusumpur Pahadi & Gole Market | 15 October 2025 (One Day)

Objective:

To promote awareness on handwashing with soap, demonstrate correct hygiene practices, prevent communicable diseases, and encourage sustainable cleanliness habits in communities.

Speakers/Facilitators:

Representatives from Vishwa Yuvak Kendra, Milestone NGO, India is Calling Youth and FANSA India

Participants:

203 adolescents, women, and community members.

Key Takeaways:

The collaborative programme used demonstrations, storytelling, games, posters, street plays, and workshops to teach the seven steps of handwashing and personal hygiene. Participants actively engaged in practical learning sessions and received hygiene kits and refreshments. The initiative successfully strengthened hygiene awareness, encouraged behavioural change, and promoted healthier daily practices across all three communities.

Facilitator sharing his thoughts on the occasion of Teacher's Day at Bhaiya Ram Camp, Delhi

Good Touch, Bad Touch Awareness Programme

Venue & Date/Duration:

Vivekanand Camp | 19 November 2025 (One Day)

Objective:

To build awareness on safe and unsafe touch, personal boundaries, body autonomy, and available support systems, while encouraging confidence and help-seeking behaviour.

Speakers/Facilitators:

Trainees and facilitators from Vishwa Yuvak Kendra.

Participants:

53 adolescent girls and community women.

Key Takeaways:

The programme used interactive discussions, body-mapping exercises, a short awareness film, Yes/No response activities, and a musical performance to explain personal safety concepts. Participants learned to identify good touch and bad touch, trust their instincts, communicate concerns, and seek support through trusted adults and child helplines. The session created a safe learning environment where girls actively engaged, clarified doubts, and gained confidence. The initiative effectively strengthened awareness, courage, and self-protection skills among participants.

Special Health Camp on Reproductive Tract Infections (RTIs) / Sexually Transmitted Infections (STIs)

Venue & Date/Duration:

Vivekanand Camp | 19 December 2025 (One Day)

Objective:

To create awareness on RTIs/STIs, provide free and confidential medical consultations, promote preventive practices, and improve access to reproductive healthcare services.

Speakers/Facilitators:

Dr. Arun Dabas, Dr. Nikki Dahiya along with VYK Team and Student Interns.

Participants:

61 women and adolescent girls.

Key Takeaways:

The camp combined community mobilisation, medical consultations, counselling, and medicine distribution to address reproductive health concerns. Participants received diagnosis, treatment guidance, education on hygiene, contraception, and syndrome-based management of RTIs. The initiative created a safe platform for women to discuss health issues openly and improved trust in healthcare services. The programme successfully strengthened awareness, preventive behaviour, and access to essential reproductive health support in the community.

Personal Hygiene Awareness Programme

Venue & Date/Duration:

Ravidas Camp | 29 January 2026 (One Day)

Objective:

To create awareness on the importance of personal hygiene, educate adolescents on healthy practices such as handwashing, nail care, and body cleanliness, and encourage behavioural change for disease prevention and overall well-being.

Speakers/Facilitators:

VYK Team and student interns from DSSW

Participants:

88 adolescents and community members.

Key Takeaways:

The programme sensitised adolescents on the importance of personal hygiene through interactive awareness sessions and practical demonstrations. Participants learned how poor hygiene contributes to disease and how habits such as regular handwashing, bathing, oral care, clean clothing, and nail trimming improve health. The session also highlighted the link
